Notice of Submission of Proposed Information Collection to OMB; Low Income Housing Tax Credit Database

AGENCY: Office of the Chief Information Officer, HUD.

ACTION: Notice.

SUMMARY: The proposed information collection requirement described below has been submitted to the Office of Management and Budget (OMB) for review, as required by the Paperwork Reduction Act. The Department is soliciting public comments on the subject proposal.

There continues to be great interest in the Low Income Housing Tax Credit Program at HUD, the Department of Treasury, and from many other sources. Unfortunately, since the program is

independently administered by more than 50 different state housing agencies, there would be no centralized sources of data about the units that have been developed with this federal subsidy without this data collection effort.
