Anyone currently employed as an attorney or hired to serve in an attorney position within the Department may request consideration for the ASLRP. The Department selects new attorneys each year for participation on a competitive basis and renews current beneficiaries who remain qualified for

these benefits, subject to availability of funds. There are two types of application forms: One is for new requests, and the other for renewal requests. There are also two service agreement forms: An initial three-year service agreement form, and a one-year service extension form.

(5) An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond/reply: The Department anticipates that on a yearly basis, about 175 respondents will complete the application for a new request. In addition, each year the Department expects to receive approximately 300 applications from attorneys and law clerks requesting renewal of the benefits they received in previous years. It is estimated that each new application will take one (1) hour to complete, and each renewal application approximately 30 minutes to complete.
