SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-55851; File No. SR-CBOE-2007-51]

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Increase the Class Quoting Limit in Imergent Inc. and Neurochem, Inc. Options

June 4, 2007

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on May 29, 2007, the Chicago Board Options

Exchange, Incorporated ("CBOE" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by the CBOE. The Exchange has designated this proposal as one constituting a stated policy, practice, or interpretation with respect to the meaning, administration, or enforcement of an existing rule under Section 19(b)(3)(A)(i) of the Act,³ and Rule 19b-4(f)(1) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

CBOE proposes to increase the class quoting limit in two option classes. The text of the proposed rule change is available on CBOE's Web site (www.cboe.com), at the CBOE's Office of the Secretary, and at the Commission's public reference room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, CBOE included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The CBOE has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

CBOE Rule 8.3A, Maximum Number of Market Participants Quoting Electronically per Product, establishes class quoting limits ("CQLs") for each class traded on the Hybrid Trading System.⁵ A CQL is the maximum number of quoters that may quote electronically in a given product and the current levels are established from 25-40, depending on the trading activity of the particular product.

Rule 8.3A, Interpretation .01(c) provides a procedure by which the

⁵ See Rule 8.3A.01.

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

President of the Exchange may increase the CQL for a particular product. In this regard, the President of the Exchange may increase the CQL in exceptional circumstances, which are defined in the

rule as “substantial trading volume, whether actual or expected.”⁶ The effect of an increase in the CQL is procompetitive in that it increases the number of market participants that may

quote electronically in a product. The purpose of this filing is to increase the CQL in the following two option classes:

| Option Class | Current CQL | New CQL |
|------------------------------|-------------|---------|
| Imergent Inc. (IIG) | 30 | 40 |
| Neurochem, Inc. (NRMX) | 35 | 45 |

There has been substantial trading volume in these option classes recently. Increasing the CQL in these classes will enable the Exchange to enhance the liquidity offered, thereby offering deeper and more liquid markets.

2. Statutory Basis

CBOE believes the proposed rule change is consistent with the Act and the rules and regulations under the Act applicable to a national securities exchange and, in particular, the requirements of section 6(b) of the Act.⁷ Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁸ requirements that the rules of an exchange be designed to promote just and equitable principles of trade, to prevent fraudulent and manipulative acts and, in general, to protect investors and the public interest.

B. Self-Regulatory Organization’s Statement on Burden on Competition

CBOE does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange neither received nor solicited written comments on the proposal.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing proposed rule change will take effect upon filing with the Commission pursuant to Section 19(b)(3)(A)(i) of the Act⁹ and Rule 19b-4(f)(1) thereunder,¹⁰ because it constitutes a stated policy, practice, or interpretation with respect to the

meaning, administration, or enforcement of an existing rule.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission’s Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or

To help the Commission process and review your comments more efficiently, please use only one method. For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹¹
