

Wisconsin

State Supplementation

Mandatory Minimum Supplementation

Administration: No recipients.

Optional State Supplementation

Administration: State Department of Health and Family Services, Division of Disability and Elder Services.

Effective date: January 1, 1974.

Statutory basis for payment: Wisconsin Statutes 49.77 and 49.775.

Funding

Administration: State funds.

Assistance: State funds.

Passalong method: Maintaining total expenditures.

Place of application: Social Security Administration field offices.

Scope of coverage: Optional state supplement provided to all eligible persons, including children, residing in the specified living arrangements. Residents of emergency shelters or patients in medical facilities where Medicaid pays more than 50 percent of the cost of care are not eligible for supplementation.

Resource limitations: Federal SSI regulations apply.

Income exclusions: Federal SSI regulations apply.

Recoveries, liens, and assignments: None.

Financial responsibility of relatives: None.

Interim assistance: State participates.

Payment calculation method: Recipients residing in the specified living arrangements are paid an established state supplement based on eligibility for a federal SSI benefit of at least \$1.

Payment levels: See Table 1.

Number of recipients: See Table 2.

Total expenditures: The state reported expenditures of \$119,854,162 for calendar year 2006 in state-administered payments to SSI recipients.

Table 1.
Optional state supplementation payment levels, January 2007 (in dollars)

Living arrangement	Combined federal and state		State supplementation	
	Individual	Couple	Individual	Couple
Living independently	706.78	1,066.05	83.78	132.05
Living in the household of another	499.12	754.72	83.78	132.05
Living independently with an ineligible spouse	753.43	...	130.43	...
Living in the household of another with an ineligible spouse	550.39	...	135.05	...
Private nonmedical group home or natural residential setting	802.77	1,411.41	179.77	477.41

SOURCES: Social Security Administration, Office of Income Security Programs; state information.

NOTES: A caretaker supplement is provided to SSI recipients with children: \$250 for first child; \$150 for each additional child.

... = not applicable.

DEFINITIONS:

Living independently. Includes recipients living in their own households, in private medical treatment facilities where Medicaid pays 50 percent or less of the cost of their care, or in nonmedical institutions. Also includes persons in medical facilities who are classified in a federal Code A living arrangement under section 1611(e)(1)(E) of the Social Security Act.

Living in the household of another. Includes recipients residing in a federal Code B living arrangement.

Living independently with an ineligible spouse. Includes recipients living in their own household with an ineligible spouse.

Living in the household of another with an ineligible spouse. Includes recipients residing in a federal Code B living arrangement who have an ineligible spouse.

Private nonmedical group home or natural residential setting. Restricted to recipients who require a supportive living arrangement and reside in private nonmedical group homes or in a natural residential setting with support. Eligibility is based on certification, on an individual basis, by the state.

Table 2.
Number of persons receiving optional state supplementation, January 2007

Living arrangement	Total	Aged	Blind	Disabled	
				Adults	Children
All recipients	98,637	9,040	960	64,251	24,386
Living independently	66,119	6,037	509	38,482	21,091
Living in the household of another	5,253	325	90	3,855	983
Living independently with an ineligible spouse	6,230	894	55	5,276	5
Living in the household of another with an ineligible spouse	65	15	0	50	0
Private nonmedical group home or natural residential setting	20,970	1,769	306	16,588	2,307
