Negative Determinations for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance

In the following cases, the investigation revealed that the eligibility criteria for worker adjustment assistance have not been met for the reasons specified.

Because the workers of the firm are not eligible to apply for TAA, the workers cannot be certified eligible for ATAA.

The investigation revealed that criteria (a)(2)(A)(I.A.) and (a)(2)(B)(II.A.) (employment decline) have not been met.

TA-W-60,763; *Enkeboll Company (The), Raymond E Enkeboll, Carson, CA.*

TA-W-60,765; *Woodhead, A Division of Molex, Industrial Division, Northbrook, IL.*

The investigation revealed that criteria (a)(2)(A)(I.B.) (Sales or production, or both, did not decline) and (a)(2)(B)(II.B.) (shift in production to a foreign country) have not been met.

TA-W-60,863; *Intier Seating Systems, Lewisburg, TN.*

The investigation revealed that criteria (a)(2)(A)(I.C.) (increased imports) and (a)(2)(B)(II.B.) (shift in production to a foreign country) have not been met.

TA-W-60,681A; *Boeing Company (The), Boeing Commercial Airplane, Centrifuge Machine Components, Oak Ridge, TN.*

The investigation revealed that the predominate cause of worker separations is unrelated to criteria (a)(2)(A)(I.C.) (increased imports) and (a)(2)(B)(II.C.) (shift in production to a foreign country under a free trade agreement or a beneficiary country under a preferential trade agreement, or there has been or is likely to be an increase in imports).

None

The workers' firm does not produce an article as required for certification under Section 222 of the Trade Act of 1974.

TA-W-60,842; *United Parcel Service Cartage, Inc., Dayton Hub Division, Dayton, OH.*

The investigation revealed that criteria of Section 222(b)(2) has not been met. The workers' firm (or subdivision) is not a supplier to or a downstream producer for a firm whose workers were certified eligible to apply for TAA.

Weyerhaeuser Company, Aberdeen, WA; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273), and Section 246 of the Trade Act of 1974, (26 U.S.C. 2813), as amended, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance on January 25, 2006, applicable to workers of Weyerhaeuser Company, Large Log Mill, Aberdeen, Washington. The notice was published in the **Federal Register** on February 10, 2006 (71 FR 7077).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The Department limited the certification coverage to only workers of the Large Log Mill of the subject firm. New corrected information revealed that the Aberdeen, Washington location of Weyerhaeuser Company operates as a fully integrated work site and that the workers are not separately identifiable by product or location at the production complex.

The intent of the Department's certification is to cover all workers manufacturing softwood dimensional lumber at Weyerhaeuser Company, Aberdeen, Washington, who were adversely affected by increased customer imports.

Accordingly, the Department is amending the certification determination to properly reflect this matter.

The amended notice applicable to TA-W-58,442 is hereby issued as follows:

- All workers of Weyerhaeuser Company, Aberdeen, Washington, who became totally or partially separated from employment on after November 21, 2004, through January 25, 2008, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974, and are also eligible to apply for alternative trade Adjustment assistance under Section 246 of the Trade Act of 1997.

Signed at Washington, DC, this 23rd day of January 2007.

Richard Church,

Certifying Officer, Division of Trade Adjustment Assistance.

Weyerhaeuser Company, Aberdeen, WA; Notice of Termination of Investigation

Pursuant to Section 221 of the Trade Act of 1974, an investigation was initiated on January 19, 2007, in response to a petition filed by the United Brotherhood of Carpenters Industrial Union on behalf of workers at Weyerhaeuser Company, Aberdeen, Washington.

This petitioning group of workers is covered by an active certification, (TA-W-58,442) that expires on January 25, 2008. Since the Department of Labor recently discovered that the workers are not separately identifiable by product line the Department of Labor amended

on January 23, 2007 certification to include all workers of Weyerhaeuser Company, Aberdeen, Washington engaged in the production of softwood dimensional lumber. Consequently, further investigation in this case would duplicate efforts and serve no purpose; therefore the investigation has been terminated.
