^{*} Funding for the Election Reform Program has not been inlouded in Department of Justice (DOJ) and Office of Justice Programs (OJP) totals because the Helping America Vote Act of 2002 authorizes the Election Assistance Commission to perform these activities. The Administration will include funding for the Election Assistance Commission in a 2003 budget amendment and in its 2004 budget request. Therefore, this funding is excluded from DOJ and OJP 2003 and 2004 totals so that it is not double-counted.
