Public Land Order No. 7728; Revocation of the Withdrawal Created by the Executive Order Dated April 4, 1917, as Modified; Idaho

AGENCY: Bureau of Land Management, Interior.

ACTION: Public Land Order.

SUMMARY: This order revokes in its entirety a withdrawal created by an Executive Order, as modified, as to 184.10 acres of public lands withdrawn from surface entry for the Bureau of Land Management's Power Site Reserve No. 595. This order also opens those lands not previously conveyed out of Federal ownership to surface entry, subject to other segregations of record.

DATES: *Effective Date:* February 20, 2009.

FOR FURTHER INFORMATION CONTACT: Jackie Simmons, BLM Idaho State Office, 1387 S. Vinnell Way, Boise, Idaho 83709, 208-373-3867.

SUPPLEMENTARY INFORMATION: The lands were withdrawn from settlement, sale location and entry and reserved for the purposes of electrical transmission line development. The transmission lines were never constructed and the powersite reservation is no longer needed. This action will permit the conveyance of public lands for community growth purposes. The State of Idaho has waived its rights of selection in accordance with the provisions of Section 24 of the Federal Power Act of June 10, 1920 (41 Stat. 1015, 16 U.S.C. 818 (2000)), as amended. The Department of the Interior, Office of the Secretary, Assistant Secretary—Fish and Wildlife and Parks has the authority to sign this document pursuant to 43 U.S.C. 1714(a).

Order

By virtue of the authority vested in the Secretary of the Interior by Section 204 of the Federal Land Policy and Management Act of 1976, 43 U.S.C. 1714 (2000), it is ordered as follows:

1. The withdrawal created by Executive Order dated April 4, 1917, as modified by Executive Order dated June 29, 1917 and Secretarial Order dated April 4, 1921, which reserved lands for the purposes of electrical transmission line development, designated Power Site Reserve No. 595, is hereby revoked in its entirety.

2. At 9 a.m. on February 20, 2009, the lands referenced in Paragraph 1, except

those lands previously conveyed out of Federal ownership, will be opened to the operation of the public land laws generally, subject to valid existing rights, the provisions of existing withdrawals or other segregations of record, and the requirements of applicable law. All valid applications received at or prior to 9 a.m. on February 20, 2009, shall be considered as simultaneously filed at that time. Those received thereafter shall be considered in the order of filing.

Dated: January 7, 2009.

Lyle Laverty,

Assistant Secretary—Fish and Wildlife and Parks, Department of the Interior.

Classification and Lease for Recreation and Public Purposes Act of Public Lands in Eureka County, NV

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of Realty Action.

SUMMARY: The Bureau of Land Management (BLM) has examined and found suitable for classification for lease and subsequent conveyance under the provisions of the Recreation and Public Purposes (R&PP) Act, as amended, approximately 1.25 acres of public land in Eureka County, Nevada. The County proposes to use the land for a fire station.

DATES: Interested parties may submit written comments regarding this proposed classification and lease of public land until March 9, 2009.

ADDRESSES: Mail written comments to the BLM Manager, Mount Lewis Field Office, 50 Bastian Road, Battle Mountain, NV 89820.

FOR FURTHER INFORMATION CONTACT: Chuck Lahr, (775) 635-4000.

SUPPLEMENTARY INFORMATION: In accordance with Section 7 of the Taylor Grazing Act (43 U.S.C. 315f), and Executive Order No. 6910, the following described public land in Eureka County, Nevada, has been examined and found suitable for classification for lease and subsequent conveyance under the provisions of the R&PP Act, as amended, (43 U.S.C. 869 *et seq.*):

Mount Diablo Meridian, Nevada

T. 20 N., R. 53 E., Sec. 16, within Government Lot 1.

Note: This description will be replaced on completion of a resurvey and final approval of the official plat of survey.

In accordance with the R&PP Act, Eureka County filed an application to construct a fire station on approximately 1.25 acres. Additional detailed information pertaining to this application, plan of development, and site plans are in case file N-84312 located in the BLM Battle Mountain District Office.

The land is not needed for any Federal purpose. The lease and subsequent conveyance is consistent with the Shoshone/Eureka Resource Management Plan, dated February 26, 1986, and would be in the public interest. The lease and subsequent conveyance will be subject to the provisions of the R&PP Act, applicable regulations of the Secretary of the Interior, and will contain the following reservations to the United States:

1. A right-of-way thereon for ditches or canals constructed by the authority of the United States, Act of August 30, 1890 (43 U.S.C. 945); and

2. All minerals, together with the right to prospect for, mine, and remove such deposits from the same under applicable law and such regulations as the Secretary of the Interior may prescribe.

The lease/conveyance will also be subject to:

Valid existing rights.

On publication of this notice in the **Federal Register** the land described will be segregated from all other forms of appropriation under the public land laws, including the general mining laws, except for lease and conveyance under the R&PP Act, leasing under the mineral leasing laws, and disposals under the mineral material disposal laws.

Interested parties may submit comments involving the suitability of the land for a fire station. Comments on the classification are restricted to whether the land is physically suited for the proposal, whether the use will maximize the future use or uses of the land, whether the use is consistent with local planning and zoning, or if the use is consistent with State and Federal programs.

Interested parties may submit comments regarding the specific use proposed in the application and plan of development, whether the BLM followed proper administrative procedures in reaching the decision to lease and later convey under the R&PP Act, or any other factor not directly related to the suitability of the land for R&PP use.

Before including your address, phone number, e-mail address, or other personal identifying information in your

comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Only written comments submitted by postal service or overnight mail to the BLM Manager, Mount Lewis Field Office, will be considered properly filed. Electronic mail, facsimile, or telephone comments will not be considered properly filed. Comments, including names and addresses of respondents, will be available for public review. Before including your address, telephone number, e-mail address, or other personal identifying information in your comment, be advised that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Any adverse comments will be reviewed by the BLM Nevada State Director. In the absence of any adverse comments, the classification of the land described in this notice will become effective 60 days after publication of this notice in the **Federal Register**. The lands will not be available for lease and conveyance until after the classification becomes effective.

Authority: 43 CFR 2741.5.

Dated: January 9, 2009.

Minerals Management Service

Request for Comments on the Draft Proposed 5-Year Outer Continental Shelf (OCS) Oil and Gas Leasing Program for 2010–2015 and Notice of Intent To Prepare an Environmental Impact Statement (EIS) for the Proposed 5-Year Program

AGENCY: Minerals Management Service, Interior.

ACTION: Request for Comments.

SUMMARY: The Minerals Management Service (MMS) requests comments on the Draft Proposed 5-year OCS Oil and Gas Leasing Program for 2010–2015 (DPP). This draft proposal is for a new

oil and gas program to succeed the current program that is currently set to expire on June 30, 2012, and forms the basis for conducting the studies and analyses the Secretary will consider in making future decisions on what areas of the OCS to include in the program.

Section 18 of the OCS Lands Act (43 U.S.C. 1344) specifies a multi-step process of consultation and analysis that must be completed before the Secretary of the Interior may approve a new 5-year program. The required steps following this notice include the development of a proposed program, a proposed final program, and Secretarial approval. Pursuant to the National Environmental Policy Act (NEPA), the MMS also will prepare an EIS for the new 5-year program.

DATES: Please submit comments and information to the MMS no later than March 23, 2009.

Public Comment Procedure

The MMS will accept comments in one of two formats: By mail or our Internet commenting system. Please submit your comments using only one of these formats, and include full names and addresses. Comments submitted by other means may not be considered. We will not consider anonymous comments, and we will make available for inspection in their entirety all comments submitted by organizations and businesses or by individuals identifying themselves as representatives of organizations and businesses.

Our practice is to make comments, including the names and home addresses of respondents, available for public review. An individual commenter may ask that we withhold his or her name, home address, or both from the public record, and we will honor such a request to the extent allowable by law. If you submit comments and wish us to withhold such information, you must so state prominently at the beginning of your submission.

ADDRESSES: You may submit comments on the DPP by any of the following methods.

- *Federal eRulemaking Portal:* <http://www.regulations.gov>. Under the tab “More Search Options,” click “Advanced Docket Search,” then select “Minerals Management Service” from the agency drop-down menu, then click the submit button. In the Docket ID column, select MMS-2008-OMM-0045 to submit public comments and to view related materials available for this Notice. Information on using *Regulations.gov*, including instructions
