you are all well as this leaves
me I was about going out at
Glasgow Ky. and they sent me
along with some more of our Boys
to Bowling Green and I staid
there about two weeks and then
came on to the Regiment here at
Nashville I was not sick but
run down marching but I am now

I was glad when I got here to find
the 10th and 16th Regs was here
but Penny was in the hospital
I went to see him he was
about well then and now he
is to the Regiment again he was
pretty sick with the fever but he
looks pretty well again they are
at Nashville guarding a fleet we
are about three miles from there
on the Murfreesborough Turnpike
it is a beautiful Camp Ground
The Boys are all pretty well
I saw Co. E. and the rest
of the Boys in the 10th. They
look good and fat I don't
know how long we will stay
here some think all winter
but it is not certain the
rebels are not very far of us here
they hold Murfreesborough which

is only about twenty five miles
from here they expect a fight
then and if there is one will be
in it I expect we are out
on picket about twice a week

would get well. I did not
wait on him but I know
that he had a good nurse.
He was buried without a
coffin with only his blanket
wrapped around him, he
made no request that I
know of before he died, he
lies in an orchard adjoining
the second division hospital.
I put his name on a board
& placed it at his head, I
think it would be impossible
now to move his body, if it
were you could not get him
for the military authorities
will give no passes for that
purpose. Sgt. Martin has been af-
ter orderly Culman's body
but as yet has not succeeded
in getting it. Your things will
be sent to his brother Henry
who is at Nashville. The boys of
our neighborhood who are here are
all well. Pra. B. Michael & George S.
are at Nashville. H. Myley is at
Gallatin. I believe I have an-
swered all your questions, I would
like to hear from you again
soon. From your friend
G. A. Allaman, W. H. Stockton
