SUPPLEMENTARY INFORMATION:

Title: Transfer of Scholastic Credit (Schools), VA Form Letter 22-315.

Type of Review: Extension of a currently approved collection.

Abstract: When a student receiving VA education benefits is enrolled at two training institutions, the institution at which the student pursues his or her approved program of education must verify that courses pursued at a second or supplemental institution will be accepted at full credit toward the student's course objective. Educational payment for courses pursued at the second institution is not payable until evidence is received verifying that the student is pursuing his or her approved program while enrolled in these courses. VA Form Letter 22-315 serves as this certification of acceptance. The form letter is sent to the student requesting that they have the certifying official of his or her primary institution to list the course or courses pursued at the second institution for which the primary institution will give full credit. Without this information, benefits cannot be authorized for any courses pursued at other than the primary institution.
