SUPPLEMENTARY INFORMATION:

Background.—On August 24, 1988, the Department of Commerce (“Commerce”) issued an antidumping duty order on imports of granular polytetrafluoroethylene resin from Japan (53 FR 32267). On August 30, 1988, Commerce issued an antidumping duty order on imports of granular polytetrafluoroethylene resin from Italy (53 FR 33163). Following five-year reviews by Commerce and the Commission, effective January 3, 2000, Commerce issued a continuation of the antidumping duty order on imports of granular polytetrafluoroethylene resin from Italy and Japan (65 FR 6147, February 8, 2000). The Commission is now conducting a second review to determine whether revocation of the order would be likely to lead to continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable time. It will assess the adequacy of interested party responses to this notice of institution to determine whether to conduct full reviews or expedited reviews. The Commission's determinations in any expedited reviews will be based on the facts available, which may include information provided in response to this notice.

Definitions.—The following definitions apply to these reviews:

(1) *Subject Merchandise* is the class or kind of merchandise that is within the scope of the five-year reviews, as defined by Commerce.

(2) The *Subject Countries* in these reviews are Italy and Japan.

(3) The *Domestic Like Product* is the domestically produced product or products which are like, or in the absence of like, most similar in characteristics and uses with, the Subject Merchandise. In its original determinations, the Commission defined the Domestic Like Product as granular polytetrafluoroethylene resin. In its expedited five-year review determinations, the Commission defined the Domestic Like Product as granular polytetrafluoroethylene resin, coextensive with Commerce's scope.

(4) The *Domestic Industry* is the U.S. producers as a whole of the Domestic Like Product, or those producers whose collective output of the Domestic Like Product constitutes a major proportion of the total domestic production of the product. In its original and expedited five-year review determinations, the Commission defined the Domestic

Industry as U.S. producers of granular polytetrafluoroethylene resin, both unfilled and filled.

(5) An *Importer* is any person or firm engaged, either directly or through a parent company or subsidiary, in importing the Subject Merchandise into the United States from a foreign manufacturer or through its selling agent.

Participation in the reviews and public service list.—Persons, including industrial users of the Subject Merchandise and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the reviews as parties must file an entry of appearance with the Secretary to the Commission, as provided in section 201.11(b)(4) of the Commission's rules, no later than 21 days after publication of this notice in the **Federal Register**. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the reviews.

Former Commission employees who are seeking to appear in Commission five-year reviews are reminded that they are required, pursuant to 19 CFR 201.15, to seek Commission approval if the matter in which they are seeking to appear was pending in any manner or form during their Commission employment. The Commission is seeking guidance as to whether a second transition five-year review is the “same particular matter” as the underlying original investigation for purposes of 19 CFR 201.15 and 18 U.S.C. 207, the post employment statute for Federal employees. Former employees may seek informal advice from Commission ethics officials with respect to this and the related issue of whether the employee's participation was “personal and substantial.” However, any informal consultation will not relieve former employees of the obligation to seek approval to appear from the Commission under its rule 201.15. For ethics advice, contact Carol McCue Verratti, Deputy Agency Ethics Official, at 202–205–3088.

Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and APO service list.—Pursuant to section 207.7(a) of the Commission's rules, the Secretary will make BPI submitted in these reviews available to authorized applicants under the APO issued in the reviews, provided that the application is made no later than 21 days after publication of this notice in the **Federal Register**. Authorized applicants must represent interested parties, as defined in 19 U.S.C. 1677(9),

who are parties to the reviews. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Certification.—Pursuant to section 207.3 of the Commission's rules, any person submitting information to the Commission in connection with these reviews must certify that the information is accurate and complete to the best of the submitter's knowledge. In making the certification, the submitter will be deemed to consent, unless otherwise specified, for the Commission, its employees, and contract personnel to use the information provided in any other reviews or investigations of the same or comparable products which the Commission conducts under Title VII of the Act, or in internal audits and investigations relating to the programs and operations of the Commission pursuant to 5 U.S.C. Appendix 3.

Written submissions.—Pursuant to section 207.61 of the Commission's rules, each interested party response to this notice must provide the information specified below. The deadline for filing such responses is January 21, 2005. Pursuant to section 207.62(b) of the Commission's rules, eligible parties (as specified in Commission rule 207.62(b)(1)) may also file comments concerning the adequacy of responses to the notice of institution and whether the Commission should conduct expedited or full reviews. The deadline for filing such comments is February 14, 2005. All written submissions must conform with the provisions of sections 201.8 and 207.3 of the Commission's rules and any submissions that contain BPI must also conform with the requirements of sections 201.6 and 207.7 of the Commission's rules. The Commission's rules do not authorize filing of submissions with the Secretary by facsimile or electronic means, except to the extent permitted by section 201.8 of the Commission's rules, as amended, 67 Fed. Reg. 68036 (November 8, 2002). Also, in accordance with sections 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or APO service list as appropriate), and a certificate of service must accompany the document (if you are not a party to the reviews you do not need to serve your response).

Inability to provide requested information.—Pursuant to section 207.61(c) of the Commission's rules, any interested party that cannot furnish the information requested by this notice in the requested form and manner shall

notify the Commission at the earliest possible time, provide a full explanation of why it cannot provide the requested information, and indicate alternative forms in which it can provide equivalent information. If an interested party does not provide this notification (or the Commission finds the explanation provided in the notification inadequate) and fails to provide a complete response to this notice, the Commission may take an adverse inference against the party pursuant to section 776(b) of the Act in making its determinations in the reviews.

INTERNATIONAL TRADE COMMISSION

[Investigation No. 731-TA-1059 (Final)]

Hand Trucks and Certain Parts Thereof From China

Determination

On the basis of the record¹ developed in the subject investigation, the United States International Trade Commission (Commission) determines, pursuant to section 735(b) of the Tariff Act of 1930 (19 U.S.C. 1673d(b)) (the Act), that an industry in the United States is threatened with material injury by reason of imports from China of hand trucks and certain parts thereof, provided for in subheadings 8716.80.50 and 8716.90.50 of the Harmonized Tariff Schedule of the United States, that have been found by the Department of Commerce (Commerce) to be sold in the United States at less than fair value (LTFV). The Commission further determines that it would not have found material injury but for the suspension of liquidation.

Background

The Commission instituted this investigation effective November 13, 2003, following receipt of a petition filed with the Commission and Commerce by Gleason Industrial Products, Inc., Los Angeles, CA. The final phase of the investigation was scheduled by the Commission following notification of a preliminary determination by Commerce that imports of hand trucks and certain parts thereof from China were being sold at LTFV within the meaning of section 733(b) of the Act (19 U.S.C. 1673b(b)). Notice of the scheduling of the final phase of the Commission's investigation and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of June 8, 2004 (69 FR 32042). The hearing was held in Washington, DC, on October 7, 2004, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission transmitted its determination in this investigation to the Secretary of Commerce on November 22, 2004. The views of the Commission are contained in USITC Publication 3737 (November 2004), entitled Hand Trucks and Certain Parts Thereof From China: Investigation No. 731-TA-1059 (Final).

Issued: November 24, 2004.

DEPARTMENT OF JUSTICE

Notice of Lodging of Consent Decree Under the Clean Water Act, the Comprehensive Environmental Response, Compensation, and Liability Act, the Emergency Planning and Community Right-To-Know Act, and the Park System Resource Protection Act

Under the policy set out at 28 CFR 50.7, notice is hereby given that on November 15, 2004, the United States lodged with the United States District Court for the Northern District of Iowa a proposed consent decree ("Consent Decree") in the case of *United States v. Iowa Turkey Products, Inc.*, Civ. A. No. C04-1045-LRR. The Consent Decree pertains to Iowa Turkey Products, Inc. ("ITP"), which owned a former turkey processing facility in Postville, Iowa. ITP discharged wastewater into a Publicly Owned Treatment Works ("POTW") owned by the City of Postville ("City"). A related settlement with the City was lodged on October 15, 2004.

The Consent Decree would resolve claims in a Complaint filed, simultaneously with the lodging of the Consent Decree, by the United States against ITP for violations of Sections 301 and 307 of the Clean Water Act ("CWA"), 33 U.S.C. 1311 and 1317, and the Pretreatment Standards under the City's National Pollutant Discharge Elimination System Permit, pursuant to Section 402 of the CWA, 33 U.S.C. 1342. The Consent Decree would also resolve claims under Section 304 of the Emergency Planning and Community Right-to-Know Act ("EPCRA"), 42 U.S.C. 11004, and Section 103 of the Comprehensive Environmental Response, Compensation, and Recovery Act of 1980, as amended ("CERCLA"), 42 U.S.C. 9603, for failure to give notice of the release of anhydrous ammonia

during a fire at the facility on December 20, 2003.

In addition, the Consent Decree would resolve claims by the United States for natural resource damages under Section 311 of the CWA, 33 U.S.C. 1321; Section 107 of CERCLA, 42 U.S.C. 9607; and the Park System Resource Protection Act, 16 U.S.C. 1911, for unlawful discharges to the POTW that contributed to the release of hazardous substances during a March 2000 discharge event by the City. The March 2000 discharge event contributed to an aquatic life kill in the Yellow River.

The Consent Decree requires ITP to refrain from any future violations of the CWA, CERCLA, and EPCRA; to pay civil penalties for the CWA, EPCRA and CERCLA violations; and to pay natural resource damages, including compensatory restoration costs.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the Consent Decree. Comments should be addressed to the Assistant Attorney General, Environmental and Natural Resources Division, P.O. Box 7611, U.S. Department of Justice, Washington, D.C. 20044-7611, and should refer to *United States v. Iowa Turkey Products*, DOJ Ref. No. 90-5-1-1-08078/1/.

The Consent Decree may be examined at the offices of the United States Attorney, Northern District of Iowa, 401 First Street, SE., Room 400, Cedar Rapids, IA 52401, and at the offices of U.S. EPA Region 7, 901 North 5th Street, Kansas City, Kansas 66101.

(202) 514-0097, phone confirmation number (202) 514-1547. In requesting a copy from the Consent Decree Library, please enclose a check in the amount of \$6.75 (25 cents per page reproduction cost) payable to the U.S. Treasury.
