

Assessment

Upon completion of these administrative reviews, the Department will determine, and CBP shall assess, antidumping duties on all appropriate entries. In accordance with 19 CFR § 351.212(b)(1), for the respondents receiving calculated dumping margins, we calculated importer-specific per-unit duty assessment rates based on the ratio of the total amount of the dumping duties calculated for the examined sales to the total quantity of those same sales. These importer-specific per-unit rates will be assessed uniformly on all entries of each importer that were made during the POR. In accordance with 19 CFR 351.106(c)(2), we will instruct CBP to liquidate without regard to antidumping duties any entries for which the importer-specific assessment rate is *de minimis* (i.e., less than 0.5 percent *ad valorem*). In testing whether any importer-specific assessment rate is *de minimis*, we divided each importer's total amount of dumping duties by the total value of each importer's U.S. sales, which we calculated using net U.S. prices. Lastly, for the respondents receiving dumping rates based upon AFA, the Department will instruct CBP to liquidate entries according to the AFA *ad valorem* rate. The Department will issue appraisal instructions directly to CBP upon the completion of the final results of these administrative reviews.

Cash Deposit Requirements

The following deposit requirements will be effective upon publication of the final results of these administrative reviews for all shipments of HFHTs from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date of this notice, as provided for by section 751(a)(1) of the Act: (1) The cash deposit rates for reviewed companies will be the rates for those firms established in the final results of these administrative reviews; (2) for any previously reviewed or investigated PRC or non-PRC exporter not covered in these reviews, with a separate rate, the cash deposit rate will be the company-specific rate established in the most recent segment of these proceedings; (3) for all other PRC exporters, the cash deposit rates will be the PRC-wide rates established in the final results of these reviews; and (4) the cash deposit rate for any non-PRC exporter of subject merchandise from the PRC who does not have its own rate will be the rate applicable to the PRC exporter that supplied the non-PRC exporter. These deposit requirements, when imposed, shall remain in effect

until publication of the final results of the next administrative reviews.

The PRC-Wide Cash Deposit Rates

The PRC-wide cash deposit rates are 55.74 percent for axes/adzes, 139.31 percent for bars/wedges, 45.42 percent for hammers/sledges, and 98.77 percent for picks/mattocks. These rates, except for the rate for hammers/sledges, are unchanged from the most recently completed administrative review. See *Heavy Forged Hand Tools, Finished or Unfinished, With or Without Handles, From the People's Republic of China: Final Results of Antidumping Duty Administrative Review of the Order on Bars and Wedges*, 68 FR 53347 (September 10, 2003). These deposit requirements shall remain in effect until publication of the final results of the next administrative reviews.

Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Orders

This notice also serves as the only reminder to parties subject to administrative protective orders ("APOs") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR § 351.305. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We are issuing and publishing these amended final results in accordance with sections 751(h) of the Act and 19 CFR 351.224.

Dated: November 24, 2004.

Joseph A. Spetrini,

Acting Assistant Secretary for Import Administration.

BILLING CODE 3510-KE-P

DEPARTMENT OF COMMERCE**Patent and Trademark Office****Submission for OMB Review; Comment Request**

The United States Patent and Trademark Office (USPTO) has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: United States Patent and Trademark Office (USPTO).

Title: Native American Tribal Insignia Database.

Form Number(s): None.

Agency Approval Number: 0651-0048.

Type of Request: Extension of a currently approved collection.

Burden: 3 hours annually.

Number of Respondents: 15 responses per year.

Avg. Hours Per Response: The USPTO estimates that a federally- or state-recognized Native American tribe will require an average of 10 to 12 minutes (0.17 to 0.20 hours) to complete a request to record an official insignia, including gathering the information, preparing the appropriate documents, and submitting the completed request.

Needs and Uses: The Trademark Law Treaty Implementation Act (Pub. L. 105-330, section 302, 112 Stat. 3071 (1998)) required the USPTO to study issues surrounding the protection of the official insignia of federally- and state-recognized Native American tribes under trademark law. At the direction of Congress, the USPTO created a database containing the official insignia of recognized Native American tribes. The insignia database serves as a reference for examining attorneys when determining the registrability of a mark that may be similar to the official insignia of a Native American tribe. The entry of an official insignia into the database does not confer any rights to the tribe that submitted the insignia, and entry is not the legal equivalent of registering the insignia as a trademark under 15 U.S.C. 1051 *et seq.* This information collection is used by the USPTO to enter an official insignia submitted by a federally- or state-recognized Native American tribe into the database. There are no forms associated with this collection.

Affected Public: Tribal governments.

Frequency: On occasion.

Respondent's Obligation: Required to obtain or retain benefits.

OMB Desk Officer: David Rostker, (202) 395-3897.
