

(Sunset) Reviews, 69 FR 30874 (June 1, 2004). The Department, in this proceeding, determined that it would conduct an expedited sunset review of this order based on inadequate responses to the notice of initiation from respondent interested parties. The Department's final results of this review was originally scheduled for September 29, 2004 and was rescheduled for November 15, 2004.

Pursuant to section 751(c)(5)(B) of the Act, the administering authority may extend the period for issuing final results by not more than 90 days if the administering authority determines that a sunset review is extraordinarily complicated. A review may be treated as extraordinarily complicated if the issues to be considered are complex. Section 751(c)(5)(C)(ii) of the Act. In this instant review, the Department, needs additional time to consider complex issues related to the appropriate net countervailable subsidy rate likely to prevail if the order is revoked, which the Department will provide to the International Trade Commission. Thus, the Department intends to issue the final results on or about December 10, 2004, in accordance with sections 751(c)(5)(B) and 751(c)(5)(C)(i), (ii) and (iii) of the Tariff Act of 1930, as amended.

Dated: November 15, 2004.

James J. Jochum,

Assistant Secretary for Import Administration.
