Based on information received since the preliminary results and our analysis of the comments received, the Department has revised the net subsidy rate for F.lli De Cecco di Filippo Fara S. Martino S.p.A. Therefore, the final results differ from the preliminary results. The final net subsidy rates for the reviewed companies are listed below in the section entitled "Final Results of Review."

**EFFECTIVE DATE:** August 14, 2003.

**FOR FURTHER INFORMATION CONTACT:** Stephen Cho or John Brinkmann, AD/CVD Enforcement, Group I, Office 1, Import Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone (202) 482-3798 or 482-4126, respectively.

#### SUPPLEMENTARY INFORMATION:

#### Background

On July 24, 1996, the Department of Commerce ("the Department") published in the **Federal Register** (61 FR 38544) the countervailing duty order on certain pasta from Italy.

In accordance with 19 CFR 351.213(b), this review of the order covers the following producers or exporters of the subject merchandise for which a review was specifically requested: F.lli De Cecco di Filippo Fara S. Martino S.p.A. ("De Cecco") and Italian American Pasta Company, S.r.L. ("IAPC").

Based on withdrawal of the request for review, we rescinded this

administrative review for Labor S.r.L., F. Divella, S.p.A., and Delverde, S.p.A. (See *Certain Pasta from Italy: Preliminary Results and Partial Rescission of Countervailing Duty Administrative Review*, 68 FR 17346 (April 9, 2003) ("Preliminary Results").

Since the publication of the *Preliminary Results*, a case brief was submitted on May 8, 2003, by De Cecco. The Department did not conduct a hearing in this review because none was requested.

#### Scope of Review

Imports covered by this review are shipments of certain non-egg dry pasta in packages of five pounds (2.27 kilograms) or less, whether or not enriched or fortified or containing milk or other optional ingredients such as chopped vegetables, vegetable purees, milk, gluten, diastases, vitamins, coloring and flavorings, and up to two percent egg white. The pasta covered by this scope is typically sold in the retail market, in fiberboard or cardboard cartons, or polyethylene or polypropylene bags, of varying dimensions.

Excluded from the scope of this review are refrigerated, frozen, or canned pastas, as well as all forms of egg pasta, with the exception of non-egg dry pasta containing up to two percent egg white. Also excluded are imports of organic pasta from Italy that are accompanied by the appropriate certificate issued by the Istituto Mediterraneo Di Certificazione, Bioagricoop Scrl, QC&I International Services, Ecocert Italia, Consorzio per il Controllo dei Prodotti Biologici, Associazione Italiana per l'Agricoltura Biologica, or Codex S.r.L.

The merchandise subject to review is currently classifiable under item 1902.19.20 of the *Harmonized Tariff Schedule of the United States* ("HTSUS"). Although the HTSUS subheading is provided for convenience and customs purposes, the written description of the merchandise subject to the order is dispositive.

#### Scope Rulings

The Department has issued the following scope rulings to date:

(1) On August 25, 1997, the Department issued a scope ruling that multicolored pasta, imported in kitchen display bottles of decorative glass that are sealed with cork or paraffin and bound with raffia, is excluded from the scope of the countervailing duty order. (See August 25, 1997, memorandum from Edward Easton to Richard Moreland, which is on file in the
