CIS grantees are required to place any officer positions awarded in the local schools for at least 75% of their normal duty shift. HSOP permits applicants to supplement their current overtime budget for homeland security training sessions and other law enforcement activities that are designed to help prevent acts of terrorism.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond/reply:* An estimated 6,300 respondents will submit applications for either the UHP, CIS, or HSOP program. COPS estimates it will take respondents approximately 5 hours to complete their applications.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The total public burden is estimated at 31,500 annual burden hours for this combined application kit.
