

machinery and equipment, and plastics. Leading U.S. imports from Central America include apparel products and edible fruits.

2. Employment Impact Review

Section 2102(c)(5) of the Bipartisan Trade Promotion Authority Act of 2002, 19 U.S.C. 3802(c)(5), directs the President to "review the impact of future trade agreements on United States employment, including labor markets, modeled after Executive Order 13141 to the extent appropriate in establishing procedures and criteria, report to the Committee on Ways and Means of the House of Representatives and the Committee on Finance of the Senate on such review, and make that report available to the public." USTR and the Department of Labor will conduct the employment reviews through the TPSC.

The employment impact review will be based on the following elements, which are modeled to the extent appropriate after those in EO 13141. The review will be: (1) Written; (2) initiated through a **Federal Register** notice soliciting public comment and information on the employment impact of the FTA in the United States; (3) made available to the public in draft form for public comment, to the extent practicable; and (4) made available to the public in final form.

Comments may be submitted on potentially significant sectoral or regional employment impacts (both positive and negative) in the United States as well as other likely labor market impacts of the FTA. Persons submitting comments should provide as much detail as possible in support of their submissions.

3. Requirements for Submissions

To ensure prompt and full consideration of responses, the TPSC strongly recommends that interested persons submit comments by electronic mail to the following e-mail address: FR0071@ustr.gov. Persons making submissions by e-mail should use the following subject line: "Central America Employment Review." Documents should be submitted in WordPerfect, MSWord, or text (.TXT) files. Supporting documentation submitted as spreadsheets is acceptable in Quattro Pro or Excel format. For any document containing business confidential information submitted electronically, the file name of the business confidential version should begin with the characters "BC-", and the file name of the public version should begin with the character "P-". The "P-" or "BC-" should be followed by the name of the

submitter. Persons who make submissions by e-mail should not provide separate cover letters; information that might appear in a cover letter should be included in the submission itself. To the extent possible, any attachments to the submission should be included in the same file as the submission itself, and not as separate files.

Written comments will be placed in a file open to public inspection pursuant to 15 CFR 2003.5, except confidential business information exempt from public inspection in accordance with 15 CFR 2003.6. Confidential business information submitted in accordance with 15 CFR 2003.6 must be clearly marked "Business Confidential" at the top of each page, including any cover letter or cover page, and must be accompanied by a non-confidential summary of the confidential information. All public documents and non-confidential summaries will be available for public inspection in the USTR Reading Room in Room 3 of the Annex of the Office of the USTR, 1724 F Street, NW., Washington, DC 20508. An appointment to review the file may be made by calling (202) 395-6186. The USTR Reading Room is generally open to the public from 10 a.m.-12 noon and 1-4 p.m., Monday through Friday. Appointments must be scheduled at least 48 hours in advance.
