Healthcare Integrity and Protection Data Bank: Change in User Fees

AGENCY: Office of Inspector General (OIG), HHS.

ACTION: Notice.

SUMMARY: In accordance with final regulations at 45 CFR part 61, implementing the Healthcare Integrity and Protection Data Bank (HIPDB), the department is authorized to assess a fee on all requests for information, except requests from Federal agencies. In accordance with § 61.13 of the HIPDB regulations, the department is announcing an adjustment from \$5 to \$4.25 in the fee charged for each query submitted by authorized entities to access the data bank. There will be no change to the current \$10 self-query fee.

EFFECTIVE DATE: July 1, 2003.

FOR FURTHER INFORMATION CONTACT: Joel Schaer, Office of Counsel to the Inspector General, (202) 619-0089.

SUPPLEMENTARY INFORMATION:

User Fee Amount

Section 1128E(d)(2) of the Social Security Act (the Act), as added by section 221(a) of the Health Insurance Portability and Accountability Act (HIPAA) of 1996, specifically authorizes the establishment of fees for the costs of processing requests for disclosure and for providing information from the Healthcare Integrity and Protection Data Bank (HIPDB). Final regulations at 45 CFR part 61 set forth the criteria and procedures for information to be reported to and disclosed by the HIPDB. The Act also requires that the department recover the full costs of operating the HIPDB through such user fees. In determining any changes in the amount of the user fee, the department employs the criteria set forth in § 61.13(b) of the HIPDB regulations.

Specifically, § 61.13(b) states that the amount of each fee will be determined based on the following criteria:

- Direct and indirect personnel costs;
- Physical overhead, consulting, and other indirect costs including rent and depreciation on land, buildings and equipment;
- Agency management and supervisory costs;
- Costs of enforcement, research and establishment of regulations and guidance;
- Use of electronic data processing equipment to collect and maintain information, *i.e.*, the actual cost of the service, including computer search time, runs and printouts; and
- Any other direct or indirect costs related to the provision of services.

The current fee structure of \$5 for each separate query submitted by authorized entities was announced in a **Federal Register** notice on June 11, 2001 (66 FR 31245), and became effective on October 1, 2001. Based on the above criteria and our analysis of operational costs and the comparative costs of the various methods for filing and paying for queries, the department is now lowering the fee by 75 cents for each query submitted by authorized entities—from \$5 to \$4.25.¹

When an authorized entity query is submitted for information on one or more health care practitioners, providers or suppliers, the appropriate total fee will be \$4.25 multiplied by the number of individuals or organizations about whom information is being requested.

In order to minimize administrative costs, the department will accept queries submitted by authorized entities by credit card or electronic funds transfer. The department will continue to accept payment for self-queries only by credit card. The HIPDB accepts Visa, MasterCard, and Discover. To submit queries, registered entities (including law enforcement agencies) must use the HIPDB Web site at www.npdb-hipdb.com.

The department will continue to review the user fee periodically, and will revise it as necessary. Any future changes in the fee and its effective date will be announced through notice in the **Federal Register**.

Examples

Query method	Fee per name in query, by method of payment	Examples
Authorized Entity query	\$4.25	10 names in query: 10 × \$4.25 = \$42.50.
Self-query	\$10.00	10 self-queries: 10 × 10 = \$100.

¹ As part of its obligations under the Privacy Act, the department previously announced a \$10 fee for

health care practitioners, providers or suppliers to self-query (64 FR 58851; November 1, 1999). The

practitioner self-query fee will continue to remain at \$10.

Dated: March 27, 2003.

Acting Principal Deputy Inspector General.
