Sections 290.12, 290.17, 290.24 and 290.26 of 25 CFR part 290, Tribal Revenue Allocation Plans, specifies the information collection requirement. An Indian tribe must ask the Secretary to approve a Tribal Revenue Allocation Plan. The information to be collected includes: name of Tribe, tribal documents, the allocation plan and other documents deemed necessary. Collection of this information is currently authorized under an approval by OMB (OMB Control Number 1076-0152). All information is collected when the tribe submits a Tribal Revenue Allocation Plan. Annual reporting and record keeping burden for this collection of information is estimated to average between 75-100 hours for approximately 20 respondents, including the time for reviewing instructions, researching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Thus, the total annual reporting and record keeping burden for this collection is estimated to be 1,500-2,000 hours. We are using the higher estimate for purposes of estimating the public burden.
