The goal of this match is to compare income status as reported to VA with benefit records maintained by the RRB.

VA plans to match records of veterans and surviving spouses and children who receive pension, and parents who receive DIC, with railroad retirement benefit records maintained by RRB. The match with RRB will provide VA with data from the RRB Research File of Retirement and Survivor Benefits.

VA will use this information to update the master records of VA beneficiaries receiving income dependent benefits and to adjust VA benefit payments as prescribed by law. Otherwise, information about a VA beneficiary's income is obtained only from reporting by the beneficiary. The proposed matching program will enable VA to ensure accurate reporting of income.
