FEDERAL COMMUNICATIONS COMMISSION

[CC Docket No. 96-45; DA 03-1894]

Advantage Cellular Systems, Inc. Petition for Designation as an Eligible Telecommunications Carrier Throughout Its Licensed Service Area in the State of Tennessee

AGENCY: Federal Communications Commission.

ACTION: Notice; solicitation of comments.

SUMMARY: In this document, the Wireline Competition Bureau sought comment on the Advantage Cellular petition. Advantage Cellular Systems, Inc. (Advantage Cellular) is seeking designation as an eligible telecommunications carrier (ETC) to receive federal universal service support for service offered throughout its licensed service area in the state of Tennessee.

DATES: Comments are due on or before June 30, 2003. Reply comments are due on or before July 7, 2003.

ADDRESSES: Federal Communications Commission, 445 Twelfth Street, SW., Washington, DC 20554. See **SUPPLEMENTARY INFORMATION** for further filing instructions.

FOR FURTHER INFORMATION CONTACT: Thomas Buckley, Attorney, Wireline Competition Bureau, Telecommunications Access Policy Division, (202) 418-7400.

SUPPLEMENTARY INFORMATION: This is a summary of the of the Commission's Public Notice, CC Docket No. 96-45, released June 5, 2003. On May 9, 2003, Advantage Cellular filed with the Commission a petition pursuant to section 214(e)(6) of the Communications Act of 1934, as amended, seeking designation as an ETC to receive federal universal service support for service offered throughout its licensed service area in the state of Tennessee, including rural and non-rural areas. Specifically, Advantage Cellular contends that: the Tennessee Regulatory Authority has provided an affirmative statement that it does not regulate commercial mobile radio service (CMRS) carriers; Advantage Cellular meets all the statutory and regulatory prerequisites for ETC designation; and designating Advantage Cellular as an ETC will serve the public interest.

Pursuant to section 54.207(c) of the Commission's rules, Advantage Cellular also requests that the Commission designate Advantage Cellular as an ETC in service areas defined along boundaries that differ from rural LEC study area boundaries. The service areas requested by Advantage Cellular for ETC designation only partially cover the rural study areas of Ben Lomand Rural Telephone Cooperative, Inc., Bledsoe Telephone Cooperative, Inc., Delkab Telephone Cooperative, Inc. d/b/a DTC Communications, Citizens Telecommunications Company of Tennessee d/b/a Frontier Communications, North Central Telephone Cooperative, Inc., and Twin Lakes Telephone Cooperative Corporation. Advantage Cellular maintains that the proposed redefinition of these service areas is consistent with the factors to be considered when redefining a rural telephone company service area, as enumerated by the Federal-State Joint Board on Universal Service.

The petitioner must provide copies of its petition to the Tennessee Regulatory Authority. The Commission will also send a copy of this Public Notice to the Tennessee Regulatory Authority by

overnight express mail to ensure that the Tennessee Regulatory Authority is notified of the notice and comment period.

Pursuant to §§ 1.415 and 1.419 of the Commission's rules, 47 CFR 1.415, 1.419, interested parties may file comments as follows: comments are due on or before June 30, 2003, and reply comments are due on or before July 7, 2003.
