

A copy of the proposed information collection request can be obtained by contacting the individual listed below in the **ADDRESSES** section of this notice.

**DATES:** Written comments must be submitted to the office listed in the **ADDRESSES** section below on or before July 3, 2003. IMLS is particularly interested in comments that help the agency to:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information including the validity of the methodology and assumptions used;
- Enhance the quality, utility and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g. permitting electronic submissions of responses.

**ADDRESSES:** Send comments to: Martha Crawley, Senior Program Officer, Institute of Museum and Library Services, 1100 Pennsylvania Ave., NW., Room 802, Washington, DC 20506. Ms. Crawley can be reached on Telephone: 202-606-5513, Fax: 202-606-107 or by e-mail at [mcrawley@imls.gov](mailto:mcrawley@imls.gov)

**SUPPLEMENTARY INFORMATION:**

**I. Background**

The Institute of Museum and Library Services is an independent Federal grant-making agency authorized by the Museum and Library Services Act, Public Law 104-208. The IMLS provides a variety of grant programs to assist the nation's museums and libraries in improving their operations and enhancing their services to the public. Museums and libraries of all sizes and types may receive support from IMLS programs. In the National Leadership Grant Program, IMLS funds the digitization of library and museum collections. This study is to determine the feasibility of using the Open Archives Initiative (OAI) metadata harvesting protocol to aggregate and provide integrated item-level search access to the digitization projects funded by the Institute of Museum and Library Services through the National Leadership Grant program.

**NUCLEAR REGULATORY COMMISSION**

**Control Room Habitability**

**AGENCY:** Nuclear Regulatory Commission.

**ACTION:** Notice of issuance.

**SUMMARY:** The Nuclear Regulatory Commission (NRC) has issued Generic Letter (GL) 2003-01 to all holders of operating licenses for pressurized-water reactors and boiling-water reactors, except those who have permanently ceased operations and have certified that fuel has been permanently removed from the reactor vessel and more than 1 year has elapsed since fuel was irradiated in the reactor vessel. The generic letter was issued to (1) alert licensees to findings at U.S. power reactor facilities suggesting that the control room licensing and design bases, and applicable regulatory requirements may not be met, and that existing technical specification surveillance requirements (SRs) may not be adequate, (2) emphasize the importance of reliable, comprehensive surveillance testing to verify control room habitability, (3) request licensees to submit information that demonstrates that the control room at each of their respective facilities complies with the current licensing and design bases, and applicable regulatory requirements, and that suitable design, maintenance and testing control measures are in place for maintaining this compliance, and (4) determine, based on the information received, if additional regulatory action is required.

**DATES:** The generic letter was issued on June 12, 2003.

**ADDRESSES:** Not applicable.

**FOR FURTHER INFORMATION CONTACT:** Mark Blumberg, at 301-415-1083.

**SUPPLEMENTARY INFORMATION:** Generic Letter 2003-01 may be examined and/or copied for a fee at the NRC's Public
