The Issuer states that it wishes to withdraw its Security from listing and registration on the Amex and to list its Security on the New York Stock Exchange, Inc. ("NYSE"). SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-48462; File No. SR-Amex-2003-47]

Self-Regulatory Organizations; Order Granting Approval to Proposed Rule Change by the American Stock Exchange LLC To Amend Commentary .02 of Amex Rule 126(g) To Restrict the Crossing of Agency Orders of 5,000 Shares or More to Orders for the Accounts of Persons Who Are Not Brokers or Dealers

September 9, 2003.

On May 19, 2003, the American Stock Exchange LLC ("Amex") filed with the Securities and Exchange Commission ("Commission"), pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to amend Commentary .02 to Amex Rule 126(g) ("Special Rules" under "Precedence of Bids and Offers") to restrict the crossing of agency orders of 5,000 shares or more to orders for the accounts of persons who are not brokers or dealers. The proposed rule change was published for comment in the

Federal Register on August 5, 2003.³ The Commission received no comments on the proposal.

After careful review, the Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange.⁴ Specifically, the Commission finds that the proposal is consistent with section 6(b)(5) of the Act,⁵ which requires, among other things, that the Amex's rules be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. The Commission believes that the Amex's proposal to restrict the crossing of agency orders of 5,000 shares or more to orders for the accounts of persons who are not brokers or dealers appears to be reasonably designed to facilitate the efficient crossing of public customer orders on the Exchange.

It is therefore ordered, pursuant to section 19(b)(2) of the Act,⁶ that the proposed rule change (File No. SR-Amex-2003-47) be, and it hereby is, approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁷

Margaret H. McFarland,
Deputy Secretary.
