

the corresponding paper document, *see* 49 CFR 1180.4(a)(2), and a copy of such disk or CD should be provided to any other party upon request. Also, each disk or CD should be clearly labeled as containing confidential or redacted materials. The data contained on the disks and CDs submitted to the Board will be subject to the protective order granted in Decision No. 1 (served May 13, 2003), and will be for the exclusive use of Board employees reviewing substantive and/or procedural matters in this proceeding. The flexibility provided by computer data will facilitate timely review by the Board and its staff.³³

Electronic Submissions: Workpapers, Data Bases, and Spreadsheets. In the past, the Board has encountered problems with the "links" in spreadsheets functioning properly when the spreadsheets are installed on desktop computers or network servers. To avoid such problems, parties submitting electronic workpapers, data bases, and/or spreadsheets should use naming and linking conventions that will permit the spreadsheets to operate on the Board's computers.³⁴ Electronic data bases should be compatible with the Microsoft Open Database Connectivity (ODBC) standard.³⁵ The Board currently uses Microsoft Access 2000, and data bases submitted should be either in this format or another ODBC-compatible format. Otherwise, submitters should explain why it is not possible to submit the data base in this format and seek a determination as to whether it is feasible for the Board to accept the data base in another format.

Excessive Use of Confidentiality Designations. Applicants have included, in their KCS-3 application, copies of the KCS/TM Stock Purchase Agreement and the KCS/TM Voting Trust Agreement. *See* KCS-3 at 160-91 and 192-209, respectively. Initially, however, neither agreement was included in the "Public

Version" of the KCS-3 application because, initially, each agreement was designated "Highly Confidential" in its entirety.³⁶ Subsequently, applicants filed a "Public Version" of the KCS/TM Stock Purchase Agreement, *see* the KCS submission dated May 29, 2003, but they have not filed a "Public Version" of the KCS/TM Voting Trust Agreement. As respects the KCS/TM Voting Trust Agreement, the continuing use of the "Highly Confidential" designation provided for in the protective order granted in Decision No. 1 appears to be excessive. There may, perhaps, be bits and pieces of the KCS/TM Voting Trust Agreement that should be protected under either the "Confidential" designation or the "Highly Confidential" designation. It is highly unlikely, however, that this agreement *in its entirety* merits such protection. Applicants will therefore be required to file, no later than June 20, 2003, either a redacted version of the KCS/TM Voting Trust Agreement or a persuasive explanation of why it is that this agreement requires protection *in its entirety* under either the "Confidential" designation or the "Highly Confidential" designation.³⁷

This action will not significantly affect either the quality of the human environment or the conservation of energy resources.

It is ordered:

1. The KCS/TM application in STB Finance Docket No. 34342 is accepted for consideration.

2. The parties to this proceeding must comply with the Procedural Schedule adopted by the Board in this proceeding as shown in Appendix A.

3. The parties to this proceeding must comply with the procedural requirements described in this decision.

4. Applicants must file, no later than June 20, 2003, either a redacted version of the KCS/TM Voting Trust Agreement or a persuasive explanation of why this agreement requires protection in its entirety under either the "Confidential" designation or the "Highly Confidential" designation.³⁸

³⁶ Although there is one indication in the KCS-3 application that the KCS/TM Stock Purchase Agreement was designated "Confidential," *see* KCS-3 at 34, it seems more likely that this agreement was actually designated "Highly Confidential," *see* KCS-3 at 160.

³⁷ If applicants choose to file an explanation in lieu of a redacted version, the explanation, if applicants think it appropriate, may be designated either "Confidential" or "Highly Confidential."

³⁸ As respects the KCS/TM Stock Purchase Agreement, applicants should also file a redacted version of the items referred to as Annex I and Annex II, *see* KCS-3 at 163 (these items, although noted in the Table of Contents, do not appear to have been included in either the "Highly Confidential" version or the "Public" version of the

Decided: June 9, 2003.

By the Board, Chairman Nober.

Secretary.
