SUPPLEMENTARY INFORMATION: The Salishan Public Housing Development (Salishan) was originally constructed in 1942 as war-time housing. Located in what is known as the East Side neighborhood, Salishan is bordered on the west by Portland Avenue and on the east by Swan Creek. There are currently 786 housing units on the site, of which 778 are occupied, and other related community/social service buildings.

In 2000, THA submitted a successful HOPE VI grant application for the redevelopment of Salishan. The amount of the HOPE VI grant awarded in connection with the Salishan revitalization project was \$35 million. Under the proposed Revitalization Plan, existing housing will be demolished and Salishan will be redeveloped into a mixed-use, mixed-income community of approximately 1,270 to 1,500 units. The project will require the relocation of all existing residents. The new unit mix will incorporate low-income, affordable, and market rate housing with single- and multi-family dwellings, and senior

and special needs housing. The redevelopment project will also include a mixture of commercial uses and improvements to community facilities such as expanding the existing health clinic, day care, family investment center, and gymnasium. Alternatives to be considered in the EIS include a no action alternative, a 1,270-unit alternative, and a 1,500-unit development.

Questions may be directed to the individual named above under the heading **FOR FURTHER INFORMATION CONTACT**.

Vieques National Wildlife Refuge

AGENCY: Fish and Wildlife Service.

ACTION: Notice of intent to prepare a Comprehensive Conservation Plan and Environmental Impact Statement for Vieques National Wildlife Refuge, located in the Commonwealth of Puerto Rico.

SUMMARY: This notice advises the public that the Fish and Wildlife Service, Southeast Region, intends to gather information necessary to prepare a comprehensive conservation plan and environmental impact statement pursuant to the National Environmental Policy Act and its implementing regulations. The Service is furnishing this notice in compliance with the National Wildlife Refuge System Administration Act of 1966, as amended (16 U.S.C. 668dd et seq.), to achieve the following:

- (1) Advise other agencies and the public of our intentions, and
- (2) Obtain suggestions and information on the scope of issues to include in the environmental document.

Special mailings, newspaper articles, and other media announcements will be used to inform Commonwealth and Municipal governments and the public of the opportunities for input throughout the planning process.

ADDRESSES: Address comments, questions, and requests for more information to the following: Ms. Susan Silander, Project Leader, Caribbean Islands National Wildlife Refuge Complex, P.O. Box 510, Boqueron, Puerto Rico 00622, Telephone: 787/851-

7258; Fax: 787/851-7440; E-mail: CaribbeanIsland@fws.gov.

SUPPLEMENTARY INFORMATION: By Federal law, all lands within the National Wildlife Refuge System are to be managed in accordance with an approved comprehensive conservation plan. The plan guides management decisions and identifies refuge goals, long-range objectives, and strategies for achieving refuge purposes. The planning process will consider many elements including wildlife and habitat management, public recreational activities, and cultural resource protection. Public input in the planning process is essential as the Service establishes management priorities and explores opportunities for non-invasive and low-impact activities such as ecotourism. Restoration of degraded habitats through reforestation, reestablishment of hydrology, and removal of exotic species will be a priority.

Vieques National Wildlife Refuge, comprising just over 18,000 acres, is the largest national wildlife refuge in Puerto Rico. The refuge includes beaches used by threatened and endangered sea turtles for nesting, subtropical dry forests, mangrove lagoons, salt flats, and bioluminescent bays.

INTERNATIONAL TRADE COMMISSION

[Investigation No. 337-TA-487]

Certain Agricultural Vehicles and Components Thereof; Notice of a Commission Determination Not To Review an Initial Determination Granting Complainant's Motion to Amend the Complaint and Notice of Investigation Relating to the Leaping Deer Trademark Registration

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review the initial determination ("ID") of the presiding administrative law judge ("ALJ") granting the motion of

complainant Deere & Company ("Deere") to amend the complaint and notice of investigation by identifying the registration number of its "leaping deer" trademark.

FOR FURTHER INFORMATION CONTACT:

Michael Diehl, Esq., Office of the General Counsel, U.S. International Trade Commission, telephone (202) 205-3095. Copies of the ALJ's ID and all other nonconfidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street, SW., Washington, DC 20436, telephone (202) 205-2000. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810. General information concerning the Commission may also be obtained by accessing its Internet server (<http://www.usitc.gov>). *The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>.*

SUPPLEMENTARY INFORMATION: On February 13, 2003, the Commission instituted this investigation based on a complaint filed by Deere, alleging a violation of section 337 of the Tariff Act of 1930 in the importation into the United States, the sale for importation, and sale within the United States after importation of certain agricultural vehicles and components thereof by reason of infringement and dilution of U.S. registered Trademark Nos. 1,254,339, 1,502,103, 1,503,576, and 91,860. The complaint further alleged that an industry in the United States exists as required by subsections (a)(1)(A) and (a)(2) of section 337.

In the complaint, Deere stated that it owned an unregistered "leaping deer" mark, in addition to its registered trademarks. It stated also that it had applied for federal registration of the mark, and that it "intend[ed] to amend this Complaint to include the leaping deer registration as soon as the registration is issued." (Complaint at ¶¶ 46-47). In the motion, Deere represented that its application for registration of the mark was granted on June 24, 2003, and it attached certified copies of the registration (U.S. Trademark Registration No. 2,729,766).

By Commission rule 210.14(b), the complaint and notice of investigation may be amended after the institution of the investigation "only * * * for good cause shown and upon such conditions as are necessary to avoid prejudicing the public interest and the rights of the

parties to the investigation." The ALJ found good cause for the amendment because the trademark registration in question did not issue until June 24, 2003. The ALJ also found that the amendment would not result in any prejudice to any of the parties in the investigation. The ALJ noted that Deere disclosed in the original complaint that it intended to assert infringement of the "leaping deer" mark when the registration issued. The ALJ found that the proposed amendments will not change the scope of the investigation in terms of either the products or issues involved. Finally, he noted that "Deere has not asserted infringement of the 'leaping deer' mark by any products other than the agricultural vehicles already at issue."

No party petitioned for review of the ID.

This action is taken under the authority of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, and Commission rule 210.42, 19 CFR 210.42.

By order of the Commission.

Issued: August 27, 2003.

Marilyn R. Abbott,

Secretary to the Commission.
