Section 7(f)(1) of the Act authorizes GIPSA's Administrator to designate a qualified applicant to provide official services in a specified area after determining that the applicant is better able than any other applicant to provide such official services. GIPSA designated Mississippi, main office in Jackson, Mississippi, to provide official inspection services under the Act on October 1, 2000.

Section 7(g)(1) of the Act provides that designations of official agencies will end not later than triennially and may be renewed according to the criteria and procedures prescribed in section 7(f) of the Act. The designation of Mississippi ends on September 30, 2003, according to the Act. Accordingly, Mississippi's designation will cease effective June 30, 2003, and GIPSA is asking for applicants to provide official service.

Pursuant to section 7(f)(2) of the Act, the following geographic area, the entire State of Mississippi, except those export port locations within the State, is assigned to this official agency. Interested persons are hereby given the opportunity to apply for designation to provide official services in the geographic areas specified above under provisions of section 7(f) of the Act and section 800.196(d) of the regulations issued thereunder.
