Victor Forstmann, Inc., Dublin, GA; and Victor Forstmann, Inc., New York, NY; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Notice of Certification Regarding Eligibility to Apply for Worker Adjustment Assistance on July 1, 2002, applicable to workers of Victor Forstmann, Inc., Dublin, Georgia. The notice was published in the **Federal Register** on July 18, 2002 (67 FR 47400).

At the request of the petitioners, the Department reviewed the certification for workers of the subject firm. The workers are engaged in the production of woolen and worsted fabrics.

The company reports that worker separations occurred at the New York, New York location of the subject firm. The New York, New York workers provide sales, designing and marketing function services for the subject firm's production facility in Dublin, Georgia.

Based on these findings, the Department is amending the certification to include workers of Victor Forstmann, Inc., New York, New York.

The intent of the Department's certification is to include all workers of Victor Forstmann, Inc. who were adversely affected by increased imports.

[NAFTA-7641]

Nutramax Oral Care, Florence, MA; Notice of Revised Determination on Reconsideration

By application of February 7, 2003, a petitioner requested administrative reconsideration of the Department's denial regarding eligibility to apply for North American Free Trade Agreement-Transitional Adjustment Assistance (NAFTA-TAA), applicable to workers and former workers of the subject firm. The denial notice was issued on January 13, 2003 and published in the **Federal Register** on February 6, 2003 (67 FR 6212).

Workers were engaged in employment related to the production of dental floss and toothbrushes. The workers were denied NAFTA-TAA on the basis that there was no shift in production to Mexico or Canada, nor did imports from Canada or Mexico contribute importantly to workers' separations.

To support the request for reconsideration, the petitioners supplied additional information to supplement that which was gathered during the initial investigation. Upon further review and contact with the company, it was revealed that the company shifted a portion of production to Canada, contributing to layoffs at the subject firm.

Conclusion

After careful review of the facts obtained in the investigation, I conclude that there was a shift in production from the workers' firm to Canada of articles that are like or directly competitive with those produced by the subject firm:

All workers of Nutramax Oral Care, Florence, Massachusetts, who became totally or partially separated from employment on or after September 25, 2001, through two years from the date of certification, are eligible to apply for NAFTA-TAA under Section 250 of the Trade Act of 1974.
