

As noted previously, FDA is working with consensus standards development groups to determine whether standards could be developed to address the issue of needlesticks related to medical devices.

FDA believes that these actions, in conjunction with the actions taken by OSHA under its BBP standard, are sufficient to address the risk of needlestick injuries related to the use of needle-bearing medical devices. FDA, therefore, does not intend to take any of the specific actions requested in the HRG/SEIU petition at this time and is withdrawing the ANPRM published in the **Federal Register** of June 20, 2002.

[Re: Notice No. 51]

RIN 1513-AB00

#### Certification Requirements for Imported Natural Wine (2005R-002P); Correction

**AGENCY:** Alcohol and Tobacco Tax and Trade Bureau (TTB), Treasury.

**ACTION:** Notice of proposed rulemaking; correction.

**SUMMARY:** On August 24, 2005, TTB published a notice of proposed

rulemaking in the **Federal Register** regarding the certification requirements for imported natural wine. We also published a temporary rule on the same subject in the same issue. In that notice of proposed rulemaking, a cross reference contains an incorrect CFR section number. This document corrects that error.

**FOR FURTHER INFORMATION CONTACT:** Gail Davis, International Trade Division, Alcohol and Tobacco Tax and Trade Bureau, telephone 202-927-8110.

**SUPPLEMENTARY INFORMATION:** On August 24, 2005, TTB published a notice of proposed rulemaking, Notice No. 51, in the **Federal Register** entitled "Certification Requirements for Imported Natural Wine" (70 FR 49516). Notice No. 51 was cross-referenced to a temporary rule on the same subject, which was published in the same issue as T.D. TTB-31 (70 FR 49479). Notice No. 51 contains a cross reference with an incorrect CFR section number.

Therefore, in the **Federal Register** of August 24, 2005, on page 49518, in the first column, in paragraph number (7), the cross-reference instruction should read as follows:

[The text of proposed § 27.140 is the same as the text of § 27.140 as set forth in the temporary rule published elsewhere in this issue of the **Federal Register**.]

Dated: June 1, 2005.

#### Drawbridge Operation Regulation; Lafourche Bayou, Lafourche Parish, LA

**AGENCY:** Coast Guard, DHS.

**ACTION:** Notice of proposed rulemaking; change of address and docket number for comments.

**SUMMARY:** On September 2, 2005, the Coast Guard published a notice and requested comments on a proposed change to regulations governing six drawbridges across Bayou Lafourche, south of the Gulf Intracoastal Waterway,

in Lafourche Parish, Louisiana. The proposed rule would change bridge schedules so that they would remain closed to navigation at various times on weekdays during the school year to facilitate the safe, efficient movement of staff, students and other residents within the parish. That notice was signed August 26, 2005, before Hurricane Katrina struck New Orleans and caused that city to be flooded. We have changed the address and docket number where comments on the proposed rule should be sent because of flood conditions in New Orleans.

**DATES:** Comments and related material must reach the Coast Guard on or before November 1, 2005.
