

categories of persons associated with dealers in addition to those who solicit municipal securities business. For example, the rule covers those persons who underwrite or trade municipal securities or who supervise such activities. Given that the act of soliciting municipal securities business more closely touches on the core purpose of Rule G-37 than do some of the other municipal securities activities that are undertaken by persons already treated as MFPs and therefore demonstrates a particularly close nexus between the actions the MSRB seeks to regulate and the purpose of its rulemaking, the MSRB continues to firmly believe that the argument that it is unconstitutional to require a person who solicits municipal securities business on behalf of a dealer to be treated as an MFP subject to Rule G-37 has no merit. The current formulation of the proposed rule change, which effectively prohibits paid outside consultants rather than requiring that such consultants become MFPs subject to Rule G-37, further negates this argument.

Effective Date

Comments Received. Several commentators express concern about existing contractual obligations if the draft amendments were to be adopted and urge the MSRB to make the effective date apply prospectively so as not to disrupt or dismantle existing contracts.²⁴

MSRB Response. The proposed rule change prohibits dealers from making any payments for solicitation activities undertaken by non-affiliated persons after the date of Commission approval of the amendments. The provisions of the proposed rule change permitting certain transitional payments for solicitation activities undertaken by consultants prior to the approval of the amendments should address the commentators' concerns.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

A. By order approve such proposed rule change; or

B. Institute proceedings to determine whether the proposed rule change should be disapproved.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-51559; File No. SR-NASD-2005-024]

Self-Regulatory Organizations; National Association of Securities Dealers, Inc.; Notice of Filing of Proposed Rule Change and Amendment No. 1 Thereto To Make Clear That the Underlying Index Value for Portfolio Depository Receipts and Index Fund Shares Must Be Disseminated Widely by an Appropriate Service

April 15, 2005.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 9, 2005, the National Association of Securities Dealers, Inc. On April 4, 2005, Nasdaq filed Amendment No. 1 to the proposed rule change.³ The Commission is publishing this notice to solicit comments on the proposed rule change, as amended, from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

Nasdaq proposes to make clear in the generic listing standards for Portfolio Depository Receipts and Index Fund Shares that the underlying index value must be disseminated widely by an appropriate service. The text of the proposed rule change, as amended, is set forth below. Proposed new language

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, Nasdaq included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it had received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. Nasdaq has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Nasdaq believes that the proposed rule change to the generic listing standards for Portfolio Depository Receipts and Index Fund Shares makes clear that the value of the underlying index must be disseminated widely by Nasdaq itself, by the Consolidated Tape Association (which generally disseminates trade data for exchange-listed securities), or by another reputable organization, such as Reuters or Bloomberg. However, a key requirement is that the index value be updated at least every 15 seconds. Of course, if the official index value does not change during some or all of the period when trading is occurring (for example, this is typically the case with pre-market-open and after-hours trading, and also with foreign indexes because of time zone differences or holidays in the countries where such indexes' components trade), then the last official calculated index value must remain available throughout the Nasdaq trading hours.

Nasdaq believes that the specific identity of the index dissemination service is not relevant, so long as such service is reputable, accepted in the investment community, and achieves appropriately wide dissemination of the particular index. As such, Nasdaq seeks to remove the reference to a specific Nasdaq service as the preferred means of index dissemination and replace it with the requirement of wide dissemination.

2. Statutory Basis

Nasdaq believes that the proposed rule change is consistent with the provisions of Section 15A of the Act,⁴ in general, and with Section 15A(b)(6) of the Act,⁵ in particular, in that it is designed to remove the impediments to a free and open market and a national market system, and, in general, to protect investors and the public interest. Nasdaq believes that clarifying the rules helps all market participants.

B. Self-Regulatory Organization's Statement on Burden on Competition

Nasdaq does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding, or (ii) as to which NASD consents, the Commission will:

(A) By order approve such proposed rule change; or

(B) Institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change, as amended, is consistent with the Act. Comments may be submitted by any of the following methods:
