SECURITIES AND EXCHANGE COMMISSION

File No. 1-13253

Issuer Delisting; Notice of Application of Renasant Corporation To Withdraw its Common Stock, \$5.00 Par Value, From Listing and Registration on the American Stock Exchange LLC

June 13, 2005.

On April 29, 2005, Renasant Corporation, a Mississippi corporation ("Issuer"), filed an application with the Securities and Exchange Commission

("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 12d2-2(d) thereunder,² to withdraw its common stock, \$5.00 par value ("Security"), from listing and registration on the American Stock Exchange LLC ("Amex").

On October 19, 2004, the Board of Directors ("Board") of the Issuer approved a resolution to withdraw the Security from listing and registration on Amex and to list the Security on the Nasdaq National Market Systems ("Nasdaq"). The Issuer stated that the Board determined to withdraw the Security from listing on Amex based on the following opinions of the Board: (i) Nasdaq is a more efficient and better structured marketplace that may provide the Issuer with a variety of advantages over Amex, including, but not limited to, (a) a screen-based electronic marketplace with competing market makers, (b) increased liquidity, (c) faster trade execution time, and (d) better execution quality; (ii) the Issuer will have improved visibility to investors by listing on Nasdaq; and (iii) Nasdaq will provide the Issuer with greater exposure to institutional investors. Trading in the Security on Nasdaq commenced on May 2, 2005.

The Issuer stated in its application that it has met the requirements of Amex Rule 18 by complying with all applicable laws in effect in the state of Mississippi, in which it is incorporated, and provided written notice of withdrawal to Amex.

The Issuer's application relates solely to withdrawal of the Security from listing on the Amex and from registration under Section 12(b) of the Act,³ and shall not affect its obligation to be registered under Section 12(g) of the Act.⁴

Any interested person may, on or before July 6, 2005, comment on the facts bearing upon whether the application has been made in accordance with the rules of Amex, and what terms, if any, should be imposed by the Commission for the protection of investors. II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Amex included statements concerning the purpose of and basis for the proposed rule change, as amended, and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Amex has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Amex Rule 1 provides that the Exchange is not open for the transaction of business before 9:30 a.m. except as otherwise determined by the Board of Governors. Exceptions to this general rule include the transmission of required pre-opening notifications to Intermarket Trading System participants and the publication of "indications" of the anticipated opening price range in a given security. The proposed rule change would codify this existing practice of the Exchange.

Quotations by Amex specialists in Nasdaq UTP securities are transmitted to the Nasdaq Securities Information Processor ("SIP") through the UTP Quotation Data Feed ("UQDF"). The SIP will not accept pre-opening indications. It will only accept standard quotations (*i.e.*, a bid and offer composed of both price and size). These quotations are collected, consolidated and disseminated by the SIP to quotation vendors through UQDF. While the hours of operation of the UTP Plan are 8 a.m. to 6:30 p.m., the SIP opens at 7:30 a.m. to handle pre-opening quotes from UTP participants as necessary. Amex believes that its specialists should be able to send Nasdaq UTP quotations to the SIP before 9:30 a.m. in order to ensure that their quotations are being accurately received by SIP and that they are, in turn, receiving quotations from the other market centers.³ Bids and offers in these Amex quotations sent to the SIP before 9:30 a.m. (or, in the case of a delayed opening, when a given Nasdaq security opens on the Amex) are not eligible to be hit or taken, but rather, are for test purposes only. Accordingly, Amex believes that it should amend its rules to codify its existing practice of allowing indicative quotes in Nasdaq UTP stocks to be disseminated by specialists between 9:25 and 9:30 a.m. for testing purposes and that that any such pre-opening quotations should not be available to create a binding contract.

2. Statutory Basis

The Amex believes that the proposed rule change is consistent with Section 6(b) of the Act,⁴ in general, and furthers the objectives of Section 6(b)(5),⁵ in particular in that it is designed to prevent fraudulent and manipulative

acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange believes that the proposed rule change, as amended, will impose no burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change, as amended.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

A. By order approve such proposed rule change, as amended, or

B. Institute proceedings to determine whether the proposed rule change, as amended, should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change, as amended, is consistent with the Act. Comments may be submitted by any of the following methods:

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an e-mail to rule-comments@sec.gov. Please include File Number SR-Amex-2005-026 on the subject line.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-51840; File No. SR-Amex-2005-042]

Self-Regulatory Organizations; American Stock Exchange LLC; Notice of Filing and Order Granting Accelerated Approval of a Proposed Rule Change Relating to the Listing and Trading of Notes Linked to the Performance of the CBOE DJIA BuyWrite Index^(sm)

June 14, 2005.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on April 20, 2005, the American Stock Exchange LLC ("Amex" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared

by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons and is approving the proposal on an accelerated basis.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to list and trade notes, the performance of which is linked to the DJIA BuyWrite Index(sm) (the "BXD Index" or "Index"). The text of the proposed rule change is available on the Amex's Web site (<http://www.amex.com>), at the principal offices of the Amex, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Amex included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item III below. The Amex has prepared summaries, set forth in Sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Under Section 107A of the Amex Company Guide ("Company Guide"), the Exchange may approve for listing and trading securities that cannot be readily categorized under the listing criteria for common and preferred stocks, bonds, debentures, or warrants.³ The Amex proposes to list for trading under Section 107A of the Company Guide notes linked to the performance of the BXD Index (the "Notes"). The BXD Index is determined, calculated, and maintained solely by the Chicago Board Options Exchange, Inc.

("CBOE").⁴ JPMorgan Chase & Co. ("JPMorgan") will issue the Notes.⁵

⁴ If the BXD Index is discontinued or suspended, the calculation agent, in its sole discretion, may substitute the BXD Index with an index substantially similar to the discontinued or suspended BXD Index (the "Successor Index"). The Successor Index may be calculated and/or published by the CBOE or any other third party. If the CBOE discontinues publication of the BXD Index prior to, and such discontinuance is continuing on, the Final Valuation Date and the calculation agent determines, in its sole discretion, that no Successor Index is available at such time, then the calculation agent will determine the BXD Index closing level for such date. The BXD Index closing level will be computed by the calculation agent in accordance with the formula for and method of calculating the BXD Index last in effect prior to such discontinuance, using the closing price of the DJIA or the stocks underlying the DJIA at the discretion of the calculation agent (or, if trading in the relevant securities has been materially suspended or materially limited, its good faith estimate of the closing price that would have prevailed but for such suspension or limitation) at the close of the principal trading session on such date for the DJIA or for each security comprising the DJIA, the arithmetic average of the last bid and ask prices (or, if trading in the relevant call option has been materially suspended or materially limited, its good faith estimate of the arithmetic average of the last bid and ask prices that would have prevailed but for such suspension or limitation) of the relevant call option reported before 4:00 p.m. Eastern time and such other inputs as may reasonably be necessary. Notwithstanding these alternative arrangements, discontinuance of the publication of the BXD Index on the relevant exchange may adversely affect the value of the notes. If at any time the method of calculating the BXD Index, the DJIA, or a Successor Index, or the level thereof is changed in a material respect, or if the BXD Index, the DJIA, or a Successor Index is in any other way modified so that the BXD Index or a Successor Index does not, in the opinion of the calculation agent, fairly represent the level of the BXD Index or such Successor Index had such changes or modifications not been made, then, from and after such time, the calculation agent will, at the close of business in New York City on each date on which the BXD Index closing level is to be determined, make such calculations and adjustments as, in the good faith judgment of the calculation agent, may be necessary in order to arrive at a level of an index comparable to the BXD Index or such Successor Index, as the case may be, as if such changes or modifications had not been made, and the calculation agent will calculate the BXD Index closing level with reference to the BXD Index or such Successor Index, as adjusted. Accordingly, if the method of calculating the BXD Index, the DJIA, or a Successor Index is modified so that the level of the BXD Index or a Successor Index is a fraction of what it would have been if there had been no such modification (e.g., due to a split in the index), then the calculation agent will adjust such index in order to arrive at a level of the BXD Index or such Successor Index as if there had been no such modification (e.g., as if such split had not occurred).

J.P. Morgan Securities Inc., an affiliate of JPMorgan, has been appointed to act as the calculation agent. Telephone conversation between Jeffrey P. Burns, Associate General Counsel, Amex and David Liu, Attorney, Division of Market Regulation ("Division"), Commission, on May 26, 2005.

⁵ The Exchange states that JPMorgan and Dow Jones & Co. ("Dow Jones") are negotiating a non-exclusive license agreement, with up to a 165-day exclusivity period, providing for the use of the BXD Index by JPMorgan in connection with certain securities, including the Notes. Dow Jones is not
