BILLING CODE 6820-14-S

GENERAL SERVICES ADMINISTRATION**Federal Travel Regulation; Notice of GSA Bulletin FTR 05-06**

AGENCY: Office of Governmentwide Policy, General Services Administration (GSA).

ACTION: Notice of a bulletin.

SUMMARY: This notice announces Federal Travel Regulation (FTR) GSA Bulletin FTR 05-06. This Bulletin informs agencies that certain provisions of the FTR governing the authorization of actual subsistence expenses for official travel (both TDY and relocation) are temporarily waived as a result of Hurricane Katrina, because it is expected that finding lodging facilities and/or adequate meals may be difficult, and distances involved may be great resulting in increased costs for per diem expenses. GSA Bulletin FTR 05-06 may be found at www.gsa.gov/bulletins.

DATES: The bulletin announced in this notice is effective September 2, 2005.

FOR FURTHER INFORMATION CONTACT: For clarification of content, contact General Services Administration, Office of Governmentwide Policy, Office of Travel, Transportation and Asset Management, at (202) 501-1777. Please cite GSA Bulletin FTR 05-06.

SUPPLEMENTARY INFORMATION:**A. Background**

As a result of the catastrophic destruction caused by Hurricane Katrina, agencies should consider delaying all non-essential TDY and relocation to the affected locations for a period of 90 days. This is especially important with relocation travel because the 120-day maximum for TQSE cannot be extended due to statutory restrictions. While in the past, GSA has limited application of such waivers to Presidentially Declared Disaster Areas, in the case of Hurricane Katrina, the widespread devastation coupled with the extensive evacuation of urban areas means that we cannot effectively

determine the extent to which the ability to secure lodgings will be compromised. In this case, we are stating that each agency may determine whether this Bulletin applies to travel which is impacted by Hurricane Katrina.

SUPPLEMENTARY INFORMATION: Pursuant to the Older Americans Act Amendments of 2000 (Pub. The Policy Committee has tried to ensure that, with the selection of these At-Large Delegates and as mandated by statute, designated delegates represent a broad cross section

of the U.S. population so that concerns and issues of current as well as future seniors receive appropriate attention.

All delegates will vote on resolutions and develop implementation strategies to be presented to the President and Congress to help guide national aging policies for the next decade and beyond. A complete list of all delegates can be found on the WHCoA web site at <http://www.whcoa.gov>.

Vision 2006—A Conversation With the American Public; Notice of Public Meetings on Specific Food and Drug Administration Issues; Notice of Postponement of Meeting

AGENCY: Food and Drug Administration, HHS.

ACTION: Notice.

SUMMARY: The Food and Drug Administration (FDA) previously announced three public meetings entitled "Vision 2006—A Conversation With the American Public." These meetings are a forum where consumers can interact directly with FDA's leadership to discuss issues of public interest. Due to our need to focus on Hurricane Katrina relief efforts, we are postponing the meeting that was scheduled on September 13, 2005 in Miami, FL. We will reschedule the Miami meeting at a later date.

DATES: See table 1 of the **SUPPLEMENTARY INFORMATION** section of this document for revised meeting dates and times.

ADDRESSES: See table 1 of the **SUPPLEMENTARY INFORMATION** section of this document for meeting locations.

SUPPLEMENTARY INFORMATION: In the **Federal Register** of August 16, 2005 (70 FR 48160), we announced a series of public meetings entitled "Vision 2006—Conversation with the American Public." The meetings would be held in three cities, Miami, FL, Boston, MA, and Phoenix, AZ, and they would be an open forum where consumers could interact with FDA's leadership. The meetings would also be an opportunity

for FDA to update the public on current agency programs, engage the public in discussions, and obtain consumer input on specific issues.

On August 29, 2005, Hurricane Katrina hit several states bordering the Gulf of Mexico, causing massive flooding and devastation. The Secretary of Health and Human Services, Michael O. Levitt, subsequently declared a public health emergency to exist in the States of Florida, Alabama, Louisiana, Mississippi, and Texas, and FDA has been working on relief efforts. Given our

need to focus our attention on those relief efforts, we are postponing the meeting that was originally scheduled for Miami, FL, on September 13, 2005. We will reschedule that meeting at a later date, and we are contacting persons who have already registered for the Miami meeting to inform them that the meeting has been postponed.

The meeting dates for the Boston, MA, and Phoenix, AZ, locations remain the same.

The revised meeting dates, times, and locations are as follows:

TABLE 1.—MEETING DATES, TIMES, AND LOCATIONS

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Substance Abuse and Mental Health Services Administration

Agency Information Collection Activities: Proposed Collection; Comment Request

In compliance with Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 concerning opportunity for public comment on proposed collections of information, the Substance Abuse and Mental Health Services Administration will publish periodic summaries of proposed projects. To request more information on the proposed projects or to obtain a copy of the information collection plans, call the SAMHSA Reports Clearance Officer on (240) 276-1243.

Comments are invited on: (a) Whether the proposed collections of information are necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d)

ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Proposed Project: National Resource and Training Center on Homelessness and Mental Illness—New

The Substance Abuse and Mental Health Services Administration's (SAMHSA), Center for Mental Health Services (CMHS) and the Health Resources and Services Administration (HRSA) will fund an evaluation of the Policy Academies on Chronic Homelessness held in 2002, 2003, and 2004. These Policy Academies were sponsored by the U.S. Department of Human Services (HHS) in partnership with the U.S. Department of Veterans Affairs, U.S. Department of Labor and the U.S. Department of Housing and Urban Development. The Policy Academies were 3-4 day meetings designed to help teams of State, Territory and local policymakers develop Action Plans intended to improve access to mainstream services for people who are homeless.

This evaluation will assess the effectiveness of the Policy Academies in helping States and Territories address the problem of chronic homelessness. This evaluation has been conceptualized in two parts. The process evaluation will focus on the activities related to conducting the Policy Academies. The process evaluation interviews will focus on: (1)

How the Policy Academy concept was developed, (2) how the Federal Partners implemented the Policy Academies, (3) what factors influenced the effectiveness of each step of the intervention (*i.e.*, pre-Academy site visits, Policy Academy meetings, and post-Academy technical assistance), (4) what changes in the Policy Academy process occurred over time, (5) what challenges/barriers Federal Partners faced in the development and implementation of the Policy Academies, and (6) how future Policy Academies could be improved to better meet the needs of States and Territories. The process evaluation will include all 45 States and Territories that participated in one of the Policy Academies on Chronic Homelessness, as well as the three Pacific Territories (American Samoa, Commonwealth of the Northern Marianas Islands, and Guam,) that participated in a special series of Policy Academies on Homelessness held in American Samoa and Guam.

The second part, the outcome evaluation, will assess how successful State, Territory, and local policymakers have been in implementing the Action Plans that were developed at the Policy Academies. The outcome evaluation interviews will focus on: (1) How States and Territories put together their Policy Academy teams, (2) the content and overall quality of the Action Plans these teams developed, (3) to what extent States and Territories have been able to increase access to coordinated housing
