

Ross Bagully, Chief Executive Officer, Tribal Voice

Mr. Bagully has over thirty years of strategic management experience, spanning an array of communications providers and technologies both domestic and international. Mr. Bagully has a degree from the US Naval Academy at Annapolis, MD, and a Masters of Business Administration from Harvard Business School. Prior to joining Tribal Voice, Mr. Bagully was the President and Chief Executive Officer of Versifi, a business-to-business Internet Web Content Management company. Mr. Bagully was also the founder, President and Chief Executive Officer of two Colorado based start-up organizations, Nuances, a full-service special events management company, and Learning.net, an Internet learning company, co-founded with California-based Idealab. Mr. Bagully has also served in executive capacities at Computer Sciences Corporation, where he was the Managing Director, Asia and Vice President, Latin American and U.S. West, where he served as the Director of Strategic Planning at the headquarters level, Vice President and Division General Manager of a \$100 million subsidiary. Currently, he is the Chief Executive Officer.
