### **22.1010 Notification to interested parties under collective bargaining agreements.**

(a) The contracting officer should determine whether the incumbent prime contractor's or its subcontractors' service employees performing on the current contract are represented by a collective bargaining agent. If there is a collective bargaining agent, the contracting officer shall give both the incumbent contractor and its employees' collective bargaining agent written notification of—

(1) The forthcoming successor contract and the applicable acquisition dates (issuance of solicitation, opening of bids, commencement of negotiations, award of contract, or start of performance, as the case may be); or

(2) The forthcoming contract modification and applicable acquisition dates (exercise of option, extension of contract, change in scope, or start of performance, as the case may be); or

(3) The forthcoming multiple year contract anniversary date (annual anniversary date or biennial date, as the case may be).

(b) This written notification must be given at least 30 days in advance of the earliest applicable acquisition date or the applicable annual or biennial anniversary date in order for the time-of-receipt limitations in 22.1012-3 (a) and (b) to apply. The contracting officer shall retain a copy of the notification in the contract file.

### **22.1011 Response to Notice by Department of Labor.**

#### **22.1011-1 Department of Labor action.**

The Wage and Hour Division will mark, date, and sign the section of the SF 98 titled *Response to Notice* and return the signed original together with appropriate additional material (wage determination, position/classification descriptions, etc.). The Wage and Hour Division will take one of the following four actions:

(a) Issue and attach applicable wage determination(s); or

(b) Indicate that no wage determination is in effect for the locality of contract performance; or

### **22.1012-2 Response to timely submission of Notice—no collective bargaining agreement.**

(a) If the contracting officer has not received a response from the Department of Labor within 60 days (or 30 days if a nonrecurring or unknown requirement), the contracting agency shall contact the Wage and Hour Division to determine when the wage determination or revision can be expected.

(b) In sealed bidding, a revision of a wage determination shall not be effective if a collective bargaining agreement does not exist, the revision is received by the contracting agency less than 10 days before the opening of bids, and the contracting officer finds that there is not reasonable time to incorporate the revision in the solicitation.

(c) For contractual actions other than sealed bidding where a collective bargaining agreement does not exist, a revision of a wage determination received by the contracting agency after award of a new contract or a modification as specified in 22.1007(b) shall not be effective provided that the start of performance is within 30 days of the award or the specified modification.
