more than 60 days from such date as indicated on the submitted Notice, the contracting officer shall, in accordance with agency procedures, contact the Wage and Hour Division for the purpose of determining whether the wage determination issued under the initial submission is still current. Any revision of a wage determination received by the contracting agency as a result of that communication, or upon discovery by the Department of Labor of a delay, shall supersede the earlier response as the wage determination applicable to the particular acquisition subject to the time frames in 22.1012-2(a) and (b).

22.1015 Discovery of errors by the Department of Labor.

If the Department of Labor discovers and determines, whether before or after a contract award, that a contracting officer made an erroneous determination that the Service Contract Act did not apply to a particular acquisition or failed to include an appropriate wage determination in a covered contract, the contracting officer, within 30 days of notification by the Department of Labor, shall include in the contract the clause at 52.222-41 and any applicable wage determination issued by the Administrator. If the contract is subject to section 10 of the Act (41 U.S.C. 358), the Administrator may require retroactive application of that wage determination. The contracting officer shall equitably adjust the contract price to reflect any changed cost of performance resulting from incorporating a wage determination or revision.

22.1016 Statement of equivalent rates for Federal hires.

(a) The statement required under the clause at 52.222-42, Statement of Equivalent Rates for Federal Hires, (see 22.1006(b)) shall set forth those wage rates and fringe benefits that would be paid by the contracting activity to the various classes of service employees expected to be utilized under the contract if 5 U.S.C. 5332 (General Schedule—white collar) and/or 5 U.S.C. 5341 (Wage Board—blue collar) were applicable.

(b) Procedures for computation of these rates are as follows:

48 CFR Ch. 1 (10-1-02 Edition)

(1) Wages paid blue collar employees shall be the basic hourly rate for each class. The rate shall be Wage Board pay schedule step two for nonsupervisory service employees and step three for supervisory service employees.

(2) Wages paid white collar employees shall be an hourly rate for each class. The rate shall be obtained by dividing the general pay schedule step one biweekly rate by 80.

(3) Local civilian personnel offices can assist in determining and providing grade and salary data.

22.1017 Notice of award.

Whenever an agency awards a service contract subject to the Act which may be in excess of \$25,000 and that agency does not report the award to the Federal Procurement Data System, it shall furnish an original and one copy of Standard Form 99, Notice of Award of Contract (see 53.301-99) to the Wage and Hour Division, Employment Standards Administration, Department of Labor, unless it makes other arrangements with the Wage and Hour Division for notifying it of contract awards.

22.1018 Notification to contractors and employees.

The contracting officer shall take the following steps to ensure that service employees are notified of minimum wages and fringe benefits.

(a) As soon as possible after contract award, inform the contractor of the labor standards requirements of the contract relating to the Act and of the contractor's responsibilities under these requirements, unless it is clear that the contractor is fully informed.

(b) At the time of award, furnish the contractor Department of Labor Publication WH-1313, Notice to Employees Working on Government Contracts, for posting at a prominent and accessible place at the worksite before contract performance begins. The publication advises employees of the compensation (wages and fringe benefits) required to be paid or furnished under the Act and satisfies the notice requirements in paragraph (g) of the clause at 52.222-41, Service Contract Act of 1965, as amended.

(c) Attach any applicable wage determination to Publication WH-1313.
