Type of Review: Revision.

Title: Evaluation of the Partnership Grants Program, Title II, Higher Education Act.

Abstract: The purpose of the Title II Partnership Grants Program evaluation is to assess the impact, strengths and weaknesses of the Partnership Grants Program, one of the three programs authorized in Title II of the Higher Education Act (HEA) Amendments of 1998. This request, to revise the Title II evaluation to include a school/university partnership survey for elementary school principals, will assist the U.S. Department of Education in understanding the characteristics of collaborations between public elementary schools and institutions of higher education (IHEs) that are participating in Title II partnership activities, as well as the associations between school/IHE collaborations and school-level student achievement outcomes.

Additional Information: This survey is an essential component of the evaluation of the Title II HEA Partnership Grants Program and has been designed to address the Administration's interest in understanding the associations between school/university partnership activities and student assessments at the school level. Without an emergency clearance, the data collection would have to be postponed until Fall, 2002, which would have two adverse consequences. First, it would require a change in the target year of inquiry to be the 2001–2002 school year, which would likely increase the sampling frame substantially. This would, therefore, have a serious effect on survey costs. Second, this survey is designed to be longitudinal. Delaying the first data collection until Fall, 2002 would mean that no data would be available about the earliest stages of partnership activities. This will make it difficult to describe the evolution of partnership activities from their earliest stages forward. Clearance is needed by May 13,

2002 to ensure that survey data can be collected before the end of the 2001–02 school year this Spring/Summer.

Frequency: Biennially.

Affected Public: State, Local, or Tribal Gov't, SEAs or LEAs.

Reporting and Recordkeeping Hour Burden:

Responses: 800.

Burden Hours: 178.
