comments on the proposed information
collection requests as required by the

regarding the emergency review should
be addressed to the Office of

SUPPLEMENTARY INFORMATION: Section
3506 of the Paperwork Reduction Act of

1995 (44 U.S.C. Chapter 35) requires
that the Director of OMB provide
interested Federal agencies and the
public an early opportunity to comment
on information collection requests. The
Office of Management and Budget
(OMB) may amend or waive the
requirement for public consultation to
the extent that public participation in
the approval process would defeat the
purpose of the information collection,
violate State or Federal law, or
substantially interfere with any agency's
ability to perform its statutory
obligations. The Acting Leader,
Information Management Group, Office
of the Chief Information Officer,
publishes this notice containing
proposed information collection
requests at the beginning of the
Departmental review of the information
collection. Each proposed information
collection, grouped by office, contains

requested, e.g., new, revision, extension,
existing or reinstatement; (2) Title; (3)
Summary of the collection; (4)
Description of the need for, and
proposed use of, the information; (5)
Respondents and frequency of
collection; and (6) Reporting and/or
Recordkeeping burden. ED invites
public comment at the address specified
above. Copies of the requests are
available from Patrick J. Sherrill at the
address specified above.

The Department of Education is
especially interested in public comment
addressing the following issues: (1) is
this collection necessary to the proper
functions of the Department; (2) will
this information be processed and used
in a timely manner, (3) is the estimate
of burden accurate; (4) how might the
Department enhance the quality, utility,
and clarity of the information to be
collected, and (5) how might the
Department minimize the burden of this
collection on respondents, including
through the use of information
technology.
