(f) The sanctions available to the MSPB to collect a delinquent debt including, but not limited to, referral of the debt to a credit reporting agency, a private collection bureau, or the Department of Justice for litigation.

§ 1210.27 Interest, penalties, and administrative costs.

(a) Interest will accrue on all debts from the date when the first notice of the debt and the interest requirement is mailed to the last known address or hand-delivered to the debtor if the debt is not paid within 30 days from the date the first notice was mailed. The MSPB will charge an annual rate of interest that is equal to the average investment rate for the Treasury tax and loan accounts on September 30 of each year, rounded to the nearest whole per centum. This rate, which represents the current value of funds to the United States Treasury, may be revised quarterly by the Secretary of the Treasury and is published by the Secretary of the Treasury annually or quarterly in the FEDERAL REGISTER and the Treasury Financial Manual Bulletins.

(b) The rate of interest initially assessed will remain fixed for the duration of the indebtedness, except that if a debtor defaults on a repayment agreement interest may be set at the Treasury rate in effect on the date a new agreement is executed.

(c) The MSPB shall charge debtors for administrative costs incurred in handling overdue debts.

(d) Interest will not be charged on administrative costs.

(e) The MSPB shall assess a penalty charge, not to exceed 6 percent per year on debts which have been delinquent for more than 90 days. This change shall accrue from the date that the debt became delinquent.

(f) The Chairman or his designee may waive in whole or in part the collection of interest and administrative and penalty charges if determined that collection would be against equity or not in

(3) Offset is cost effective or has significant deterrent value; and

(4) Offset is best suited to further and protect the Government's interest.

(b) The MSPB may offset a debt owed to another Federal agency from amounts due or payable by the MSPB to the debtor or request another Federal agency to offset a debt owed to the MSPB;

(c) Prior to initiating administrative offset, the MSPB will send the debtor written notice of the following:

(1) The nature and amount of the debt and the agency's intention to collect the debt by offset 30 days from the date the notice was mailed if neither payment nor a satisfactory response is received by that date;

(2) The debtor's right to an opportunity to submit a good faith alternative repayment schedule to inspect and copy agency records pertaining to the debt, to request a review of the determination of indebtedness; and to enter into a written agreement to repay the debt; and

(3) The applicable interest.

(d) The MSPB may effect an administrative offset against a payment to be made to a debtor prior to the completion of the procedures required by paragraph (c) of this section if:

(1) Failure of offset would substantially prejudice the Government's ability to collect the debt; and

(2) The time before the payment is to be made does not reasonably permit completion of those procedures.
