§ 1645.3 Calculation of net earnings for each investment fund.

(a) For each valuation period, net earnings will be calculated separately for each investment fund.

(b) Net earnings for each investment fund will equal:

(1) The sum of the following items, if any, accrued during the current valuation period:

(i) Interest on money of that investment fund which is invested with the G Fund;

(ii) Interest on other short-term investments of the investment fund;

(iii) Income (such as dividends and interest) on other investments of the investment fund; and

(iv) Capital gain or loss on investments of the investment fund, net of transaction costs.

(2) Minus the accrued administrative expenses of the investment fund, determined in accordance with § 1645.4.

(c) The net earnings for each investment fund resulting from paragraph (b) of this section will be adjusted by residual net earnings from the previous valuation period for that investment fund, as described in § 1645.6(b), to
