The employee may elect to contribute all or a percentage of the amount of employee contributions that the employee would have been eligible to make under 5 U.S.C. 8351 between the date of the move and the date employee contributions begin under paragraph (a)(1) of this section or, if no such election is made under paragraph (a)(1) of this section, the pay period following the date the election to be covered by CSRS is made.

(C) Deductions made from the employee's pay pursuant to an employee's election under paragraph (b)(1)(ii)(A) or (B) of this section, as appropriate, must be made according to a schedule that meets the requirements of 5 CFR 1505.2(c). The payment schedule must begin no later than the pay period following the date the employee elects the schedule.

(iii) *Agency matching makeup contributions.* The NAF instrumentality must pay to the Thrift Savings Fund any matching contributions attributable to employee contributions made under paragraph (b)(1)(ii)(A) of this section which the NAF instrumentality would have been required to make under 5 U.S.C. 8432(c), at the same time that those employee contributions are contributed to the Fund.

(2) Makeup contributions must be reported for investment by the NAF instrumentality when contributed, according to the employee's election for current TSP contributions. If the employee is not making current contributions, the retroactive contributions must be invested according to an election form (TSP-1-NAF) filed specifically for that purpose.

(c) *Noneligible employees.* An employee who is covered by a NAF retirement system is not eligible to participate in the TSP. Any TSP contributions relating to a period for which an employee elects retroactive NAF retirement system coverage must be removed from the TSP as required by the regulations at 5 CFR part 1605.
