

§ 842.613

5 CFR Ch. I (1–1–03 Edition)

(3) If an election under paragraph (a) or (b) of this section does not become effective, no deposit under paragraph (d) of this section is required.

(4) If payment of the deposit under paragraph (d) of this section is not required because the election never became effective and if some or all of the deposit has been paid, the amount paid will be returned to the retiree, or, if the retiree has died, to the person who would be entitled to any lump-sum benefits under the order of precedence in section 8424 of title 5, United States Code.

(f) Any reduction in an annuity to provide a current spouse annuity will terminate effective on the first day of the month after the marriage to the current spouse ends, unless—

(1) The retiree elects, within 2 years after a divorce terminates the marriage, to continue the reduction to provide for a former spouse annuity; or

(2) A qualifying court order requires the retiree to provide a former spouse annuity.

(g) The amount of the reduction to provide a current spouse annuity under this section equals—

(1) Ten percent of the employee's or Member's annuity if the employee or Member elects a fully reduced annuity; or

(2) Five percent of the employee's or Member's annuity if the employee or Member elects a one-half reduced annuity.

(h) If a retiree who is receiving a reduced annuity to provide a former spouse annuity and who has remarried that former spouse (before the former spouse attained age 55) dies, the retiree will be deemed to have elected to continue the reduction to provide a current spouse annuity unless the retiree requests (or has requested) in writing that OPM terminate the reduction.

[57 FR 54680, Nov. 20, 1992, as amended at 60 FR 14202, Mar. 16, 1995]

§ 842.613 Division of a survivor annuity.

(a) The maximum combined total of all current and former spouse annuities (not including any benefits based on an election of an insurable interest rate) payable based on the service of a former employee or Member equals 50

percent of the rate of the self-only annuity that otherwise would have been paid to the employee, Member, or retiree.

(b) By using the elections available under this subpart or to comply with a court order under subpart I of part 841 of this chapter, a survivor annuity may be divided into a combination of former spouse annuities and a current spouse annuity so long as the aggregate total of the current and former spouse annuities does not exceed the maximum limitation in paragraph (a) of this section.

(c) Upon termination of former spouse annuity payments because of death or remarriage of the former spouse, or by operation of a court order, the current spouse will be entitled to a current spouse annuity or an increased current spouse annuity if—

(1) The employee or Member died while employed in a position covered under FERS; or

(2) The current spouse was married to the employee or Member continuously from the time of retirement and did not consent to an election not to provide a current spouse annuity; or

(3) The current spouse married a retiree after retirement and the retiree elected, under § 842.612, to provide a current spouse annuity for that spouse in the event that the former spouse annuity payments terminate.

§ 842.614 Computation of partial annuity reduction.

If a court order or the death of a current or former spouse results in providing less than the maximum permitted survivor reduction under § 842.613, the reduction in the employee's annuity will be 10 percent of the amount of the employee's annuity on which the survivor benefits will be computed (called the "base").

§ 842.615 Deposits required.

(a) The deposits required to elect reduced annuities under §§ 842.610, 842.611, and 842.612 are not annuity overpayments and their collection is not subject to waiver.

(b) *Actuarial reduction in annuity of retirees who make post-retirement elections to provide a current spouse annuity*

or a former spouse annuity. (1) The annuity reduction required by paragraph (b)(2) of this section applies to all retirees who are required to pay deposits under § 842.611 or § 842.612 and have not paid any portion of the deposit prior to October 1, 1993, or from annuity accruing before that date.

(2) Retirees described in paragraph (b)(1) of this section must have a permanent annuity reduction computed under paragraph (b)(4) of this section.

(3) A reduction under paragraph (b)(2) of this section commences on the same date as the annuity reduction under § 842.611 or § 842.612.

(4) The annuity reduction under paragraph (b)(2) of this section is equal to the lesser of—

(i) The amount of the deposit under § 842.611 or § 842.612 divided by the present value factor for the retiree's age on the commencing date of the reduction under paragraph (b)(3) of this section (plus any previous reduction(s) in the retiree's annuity required under paragraph (b)(2) or (c)(2) of this section); or

(ii) Twenty-five percent of the rate of the retiree's self-only annuity on the commencing date of the reduction (under paragraph (b)(3) of this section).

(5)(i) The reduction under paragraph (b)(2) or paragraph (c)(2) of this section terminates on the date that the retiree dies.

(ii) If payment of a retiree's annuity is suspended or terminated and later reinstated, or if a new annuity becomes payable, OPM will increase the amount of the original reduction computed under paragraph (b)(4) or paragraph (c)(4) of this section by any cost-of-living adjustments under section 8462 of title 5, United States Code, occurring between the commencing date of the original reduction and the commencing date of the reinstated or new annuity (but the adjusted reduction may not exceed 25 percent of the rate of the reinstated or new self-only annuity).

(c) *Post-retirement survivor election deposits that were partially paid before October 1, 1993.* (1) The annuity reduction required by paragraph (c)(2) of this section applies to all retirees who are required to pay deposits under § 842.611 or § 842.612 and have paid any portion (but not all) of the deposit prior to October

1, 1993, or from annuity accruing before that date.

(2) Retirees described in paragraph (c)(1) of this section must have a permanent annuity reduction computed under paragraph (c)(4) of this section.

(3) A reduction under paragraph (c)(2) of this section commences on October 1, 1993.

(4) The annuity reduction under paragraph (c)(2) of this section is equal to the lesser of—

(i) The amount of the principal balance remaining to be paid on October 1, 1993, divided by the present value factor for the retiree's age on October 1, 1993; or

(ii) Twenty-five percent of the rate of the retiree's self-only annuity on October 1, 1993.

(5)(i) The reduction under paragraph (c)(2) of this section terminates on the date that the retiree dies.

(ii) If payment of a retiree's annuity is suspended or terminated and later reinstated, or if a new annuity becomes payable, OPM will increase the amount of the original reduction computed under paragraph (b)(4) or paragraph (c)(4) of this section by any cost-of-living adjustments under section 8462 of title 5, United States Code, occurring between the commencing date of the original reduction and the commencing date of the reinstated or new annuity (but the adjusted reduction may not exceed 25 percent of the rate of the reinstated or new self-only annuity).

(d) For retirees who die before October 1, 1993, any unpaid portion of the deposit required under § 842.611 or § 842.612 will be collected from the survivor annuity (for which the election required the deposit) before OPM pays any survivor annuity.
