¹ Governors must use funds to support public elementary, secondary, and higher education, and, as applicable, early childhood education programs and services.

² Governors must use funds for public safety and other government services, which may include assistance for early childhood education, elementary and secondary, and public institutions of higher education.

NOTES:

State allocations for fiscal years 2009 and 2010 and some Recovery Act programs are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

Amounts listed by State for Impact Aid Construction under the American Recovery and Reinvestment Act are formula grants only. An additional \$59,400,000, included in the Undistributed (non-State allocations) line, is available to LEAs under the competitive grants portion of the program.

Recovery Act funds for Pell Grants are included with fiscal year 2009 allocations.

Due to an administrative error in fiscal years 2003 through 2008, 23 States did not receive their full allocations.

The FY 2010 estimates reflect a one-time request for additional funds to correct the underpayments.

No corrective action would be taken with respect to overpayments.

¹ Governors must use funds to support public elementary, secondary, and higher education, and, as applicable, early childhood education programs and services.

² Governors must use funds for public safety and other government services, which may include assistance for early childhood education, elementary and secondary, and public institutions of higher education.

NOTES:

State allocations for fiscal year 2009 are estimates based on currently available data.
Allocations based on new data may result in changes from these estimates.

Amounts listed by State for Impact Aid Construction under the American Recovery and Reinvestment Act are formula grants only. An additional \$59,400,000, included in the Undistributed (non-State allocations) line, is available to LEAs under the competitive grants portion of the program.

Recovery Act funds for Pell Grants are included with fiscal year 2009 allocations.

Due to an administrative error in fiscal years 2003 through 2008, 23 States did not receive their full allocations.
The FY 2010 estimates reflect a one-time request for additional funds to correct the underpayments.
No corrective action would be taken with respect to overpayments.

¹ Governors must use funds to support public elementary, secondary, and higher education, and, as applicable, early childhood education programs and services.

² Governors must use funds for public safety and other government services, which may include assistance for early childhood education, elementary and secondary, and public institutions of higher education.

NOTES:

State allocations for fiscal year 2009 are estimates based on currently available data.
Allocations based on new data may result in changes from these estimates.

Amounts listed by State for Impact Aid Construction under the American Recovery and Reinvestment Act are formula grants only. An additional \$59,400,000, included in the Undistributed (non-State allocations) line, is available to LEAs under the competitive grants portion of the program.

Recovery Act funds for Pell Grants are included with fiscal year 2009 allocations.

Due to an administrative error in fiscal years 2003 through 2008, 23 States did not receive their full allocations.
The FY 2010 estimates reflect a one-time request for additional funds to correct the underpayments.
No corrective action would be taken with respect to overpayments.

¹ Governors must use funds to support public elementary, secondary, and higher education, and, as applicable, early childhood education programs and services.

² Governors must use funds for public safety and other government services, which may include assistance for early childhood education, elementary and secondary, and public institutions of higher education.

NOTES:

State allocations for fiscal year 2009 are estimates based on currently available data. Allocations based on new data may result in changes from these estimates.

Amounts listed by State for Impact Aid Construction under the American Recovery and Reinvestment Act are formula grants only. An additional \$59,400,000, included in the Undistributed (non-State allocations) line, is available to LEAs under the competitive grants portion of the program.

Recovery Act funds for Pell Grants are included with fiscal year 2009 allocations.

Due to an administrative error in fiscal years 2003 through 2008, 23 States did not receive their full allocations. The FY 2010 estimates reflect a one-time request for additional funds to correct the underpayments. No corrective action would be taken with respect to overpayments.

¹ Governors must use funds to support public elementary, secondary, and higher education, and, as applicable, early childhood education programs and services.

² Governors must use funds for public safety and other government services, which may include assistance for early childhood education, elementary and secondary, and public institutions of higher education.

NOTES:

State allocations for fiscal year 2009 are estimates based on currently available data.
Allocations based on new data may result in changes from these estimates.

Amounts listed by State for Impact Aid Construction under the American Recovery and Reinvestment Act are formula grants only. An additional \$59,400,000, included in the Undistributed (non-State allocations) line, is available to LEAs under the competitive grants portion of the program.

Recovery Act funds for Pell Grants are included with fiscal year 2009 allocations.

Due to an administrative error in fiscal years 2003 through 2008, 23 States did not receive their full allocations.
The FY 2010 estimates reflect a one-time request for additional funds to correct the underpayments.
No corrective action would be taken with respect to overpayments.

¹ Governors must use funds to support public elementary, secondary, and higher education, and, as applicable, early childhood education programs and services.

² Governors must use funds for public safety and other government services, which may include assistance for early childhood education, elementary and secondary, and public institutions of higher education.

NOTES:

State allocations for fiscal year 2009 are estimates based on currently available data.
Allocations based on new data may result in changes from these estimates.

Amounts listed by State for Impact Aid Construction under the American Recovery and Reinvestment Act are formula grants only. An additional \$59,400,000, included in the Undistributed (non-State allocations) line, is available to LEAs under the competitive grants portion of the program.

Recovery Act funds for Pell Grants are included with fiscal year 2009 allocations.

Due to an administrative error in fiscal years 2003 through 2008, 23 States did not receive their full allocations.
The FY 2010 estimates reflect a one-time request for additional funds to correct the underpayments.
No corrective action would be taken with respect to overpayments.

¹ Governors must use funds to support public elementary, secondary, and higher education, and, as applicable, early childhood education programs and services.

² Governors must use funds for public safety and other government services, which may include assistance for early childhood education, elementary and secondary, and public institutions of higher education.

NOTES:

State allocations for fiscal year 2009 are estimates based on currently available data.
Allocations based on new data may result in changes from these estimates.

Amounts listed by State for Impact Aid Construction under the American Recovery and Reinvestment Act are formula grants only. An additional \$59,400,000, included in the Undistributed (non-State allocations) line, is available to LEAs under the competitive grants portion of the program.

Recovery Act funds for Pell Grants are included with fiscal year 2009 allocations.

Due to an administrative error in fiscal years 2003 through 2008, 23 States did not receive their full allocations.
The FY 2010 estimates reflect a one-time request for additional funds to correct the underpayments.
No corrective action would be taken with respect to overpayments.

¹ Governors must use funds to support public elementary, secondary, and higher education, and, as applicable, early childhood education programs and services.

² Governors must use funds for public safety and other government services, which may include assistance for early childhood education, elementary and secondary, and public institutions of higher education.

NOTES:

State allocations for fiscal year 2009 are estimates based on currently available data.
Allocations based on new data may result in changes from these estimates.

Amounts listed by State for Impact Aid Construction under the American Recovery and Reinvestment Act are formula grants only. An additional \$59,400,000, included in the Undistributed (non-State allocations) line, is available to LEAs under the competitive grants portion of the program.

Recovery Act funds for Pell Grants are included with fiscal year 2009 allocations.

Due to an administrative error in fiscal years 2003 through 2008, 23 States did not receive their full allocations.
The FY 2010 estimates reflect a one-time request for additional funds to correct the underpayments.
No corrective action would be taken with respect to overpayments.

¹ Governors must use funds to support public elementary, secondary, and higher education, and, as applicable, early childhood education programs and services.

² Governors must use funds for public safety and other government services, which may include assistance for early childhood education, elementary and secondary, and public institutions of higher education.

NOTES:

State allocations for fiscal year 2009 are estimates based on currently available data.
Allocations based on new data may result in changes from these estimates.

Amounts listed by State for Impact Aid Construction under the American Recovery and Reinvestment Act are formula grants only. An additional \$59,400,000, included in the Undistributed (non-State allocations) line, is available to LEAs under the competitive grants portion of the program.

Recovery Act funds for Pell Grants are included with fiscal year 2009 allocations.

Due to an administrative error in fiscal years 2003 through 2008, 23 States did not receive their full allocations.
The FY 2010 estimates reflect a one-time request for additional funds to correct the underpayments.
No corrective action would be taken with respect to overpayments.

¹ Governors must use funds to support public elementary, secondary, and higher education, and, as applicable, early childhood education programs and services.

² Governors must use funds for public safety and other government services, which may include assistance for early childhood education, elementary and secondary, and public institutions of higher education.

NOTES:

State allocations for fiscal year 2009 are estimates based on currently available data.
Allocations based on new data may result in changes from these estimates.

Amounts listed by State for Impact Aid Construction under the American Recovery and Reinvestment Act are formula grants only. An additional \$59,400,000, included in the Undistributed (non-State allocations) line, is available to LEAs under the competitive grants portion of the program.

Recovery Act funds for Pell Grants are included with fiscal year 2009 allocations.

Due to an administrative error in fiscal years 2003 through 2008, 23 States did not receive their full allocations.
The FY 2010 estimates reflect a one-time request for additional funds to correct the underpayments.
No corrective action would be taken with respect to overpayments.

¹ Governors must use funds to support public elementary, secondary, and higher education, and, as applicable, early childhood education programs and services.

² Governors must use funds for public safety and other government services, which may include assistance for early childhood education, elementary and secondary, and public institutions of higher education.

NOTES:

State allocations for fiscal year 2009 are estimates based on currently available data.
Allocations based on new data may result in changes from these estimates.

Amounts listed by State for Impact Aid Construction under the American Recovery and Reinvestment Act are formula grants only. An additional \$59,400,000, included in the Undistributed (non-State allocations) line, is available to LEAs under the competitive grants portion of the program.

Recovery Act funds for Pell Grants are included with fiscal year 2009 allocations.

Due to an administrative error in fiscal years 2003 through 2008, 23 States did not receive their full allocations. The FY 2010 estimates reflect a one-time request for additional funds to correct the underpayments. No corrective action would be taken with respect to overpayments.

¹ Governors must use funds to support public elementary, secondary, and higher education, and, as applicable, early childhood education programs and services.

² Governors must use funds for public safety and other government services, which may include assistance for early childhood education, elementary and secondary, and public institutions of higher education.

NOTES:

State allocations for fiscal year 2009 are estimates based on currently available data.
Allocations based on new data may result in changes from these estimates.

Amounts listed by State for Impact Aid Construction under the American Recovery and Reinvestment Act are formula grants only. An additional \$59,400,000, included in the Undistributed (non-State allocations) line, is available to LEAs under the competitive grants portion of the program.

Recovery Act funds for Pell Grants are included with fiscal year 2009 allocations.

Due to an administrative error in fiscal years 2003 through 2008, 23 States did not receive their full allocations.
The FY 2010 estimates reflect a one-time request for additional funds to correct the underpayments.
No corrective action would be taken with respect to overpayments.

¹ Governors must use funds to support public elementary, secondary, and higher education, and, as applicable, early childhood education programs and services.

² Governors must use funds for public safety and other government services, which may include assistance for early childhood education, elementary and secondary, and public institutions of higher education.

NOTES:

State allocations for fiscal year 2009 are estimates based on currently available data.
Allocations based on new data may result in changes from these estimates.

Amounts listed by State for Impact Aid Construction under the American Recovery and Reinvestment Act are formula grants only. An additional \$59,400,000, included in the Undistributed (non-State allocations) line, is available to LEAs under the competitive grants portion of the program.

Recovery Act funds for Pell Grants are included with fiscal year 2009 allocations.

Due to an administrative error in fiscal years 2003 through 2008, 23 States did not receive their full allocations.
The FY 2010 estimates reflect a one-time request for additional funds to correct the underpayments.
No corrective action would be taken with respect to overpayments.

² Governors must use funds for public safety and other government services, which may include assistance for early childhood education, elementary and secondary, and public institutions of higher education.

NOTES:

State allocations for fiscal year 2009 are estimates based on currently available data.
Allocations based on new data may result in changes from these estimates.

Amounts listed by State for Impact Aid Construction under the American Recovery and Reinvestment Act are formula grants only. An additional \$59,400,000, included in the Undistributed (non-State allocations) line, is available to LEAs under the competitive grants portion of the program.

Recovery Act funds for Pell Grants are included with fiscal year 2009 allocations.

Due to an administrative error in fiscal years 2003 through 2008, 23 States did not receive their full allocations.
The FY 2010 estimates reflect a one-time request for additional funds to correct the underpayments.
No corrective action would be taken with respect to overpayments.

¹ Governors must use funds to support public elementary, secondary, and higher education, and, as applicable, early childhood education programs and services.

² Governors must use funds for public safety and other government services, which may include assistance for early childhood education, elementary and secondary, and public institutions of higher education.

NOTES:

State allocations for fiscal year 2009 are estimates based on currently available data.
Allocations based on new data may result in changes from these estimates.

Amounts listed by State for Impact Aid Construction under the American Recovery and Reinvestment Act are formula grants only. An additional \$59,400,000, included in the Undistributed (non-State allocations) line, is available to LEAs under the competitive grants portion of the program.

Recovery Act funds for Pell Grants are included with fiscal year 2009 allocations.

Due to an administrative error in fiscal years 2003 through 2008, 23 States did not receive their full allocations.
The FY 2010 estimates reflect a one-time request for additional funds to correct the underpayments.
No corrective action would be taken with respect to overpayments.

¹ Governors must use funds to support public elementary, secondary, and higher education, and, as applicable, early childhood education programs and services.

² Governors must use funds for public safety and other government services, which may include assistance for early childhood education, elementary and secondary, and public institutions of higher education.

NOTES:

State allocations for fiscal year 2009 are estimates based on currently available data. Allocations based on new data may result in changes from these estimates.

Amounts listed by State for Impact Aid Construction under the American Recovery and Reinvestment Act are formula grants only. An additional \$59,400,000, included in the Undistributed (non-State allocations) line, is available to LEAs under the competitive grants portion of the program.

Recovery Act funds for Pell Grants are included with fiscal year 2009 allocations.

Due to an administrative error in fiscal years 2003 through 2008, 23 States did not receive their full allocations. The FY 2010 estimates reflect a one-time request for additional funds to correct the underpayments. No corrective action would be taken with respect to overpayments.

¹ Governors must use funds to support public elementary, secondary, and higher education, and, as applicable, early childhood education programs and services.

² Governors must use funds for public safety and other government services, which may include assistance for early childhood education, elementary and secondary, and public institutions of higher education.

NOTES:

State allocations for fiscal year 2009 are estimates based on currently available data.
Allocations based on new data may result in changes from these estimates.

Amounts listed by State for Impact Aid Construction under the American Recovery and Reinvestment Act are formula grants only. An additional \$59,400,000, included in the Undistributed (non-State allocations) line, is available to LEAs under the competitive grants portion of the program.

Recovery Act funds for Pell Grants are included with fiscal year 2009 allocations.

Due to an administrative error in fiscal years 2003 through 2008, 23 States did not receive their full allocations.
The FY 2010 estimates reflect a one-time request for additional funds to correct the underpayments.
No corrective action would be taken with respect to overpayments.

¹ Governors must use funds to support public elementary, secondary, and higher education, and, as applicable, early childhood education programs and services.

² Governors must use funds for public safety and other government services, which may include assistance for early childhood education, elementary and secondary, and public institutions of higher education.

NOTES:

State allocations for fiscal year 2009 are estimates based on currently available data.
Allocations based on new data may result in changes from these estimates.

Amounts listed by State for Impact Aid Construction under the American Recovery and Reinvestment Act are formula grants only. An additional \$59,400,000, included in the Undistributed (non-State allocations) line, is available to LEAs under the competitive grants portion of the program.

Recovery Act funds for Pell Grants are included with fiscal year 2009 allocations.

Due to an administrative error in fiscal years 2003 through 2008, 23 States did not receive their full allocations.
The FY 2010 estimates reflect a one-time request for additional funds to correct the underpayments.
No corrective action would be taken with respect to overpayments.

¹ Governors must use funds to support public elementary, secondary, and higher education, and, as applicable, early childhood education programs and services.

² Governors must use funds for public safety and other government services, which may include assistance for early childhood education, elementary and secondary, and public institutions of higher education.

NOTES:

State allocations for fiscal year 2009 are estimates based on currently available data. Allocations based on new data may result in changes from these estimates.

Amounts listed by State for Impact Aid Construction under the American Recovery and Reinvestment Act are formula grants only. An additional \$59,400,000, included in the Undistributed (non-State allocations) line, is available to LEAs under the competitive grants portion of the program.

Recovery Act funds for Pell Grants are included with fiscal year 2009 allocations.

Due to an administrative error in fiscal years 2003 through 2008, 23 States did not receive their full allocations. The FY 2010 estimates reflect a one-time request for additional funds to correct the underpayments. No corrective action would be taken with respect to overpayments.

² Governors must use funds for public safety and other government services, which may include assistance for early childhood education, elementary and secondary, and public institutions of higher education.

NOTES:

State allocations for fiscal year 2009 are estimates based on currently available data.
Allocations based on new data may result in changes from these estimates.

Amounts listed by State for Impact Aid Construction under the American Recovery and Reinvestment Act are formula grants only. An additional \$59,400,000, included in the Undistributed (non-State allocations) line, is available to LEAs under the competitive grants portion of the program.

Recovery Act funds for Pell Grants are included with fiscal year 2009 allocations.

Due to an administrative error in fiscal years 2003 through 2008, 23 States did not receive their full allocations.
The FY 2010 estimates reflect a one-time request for additional funds to correct the underpayments.
No corrective action would be taken with respect to overpayments.

NOTES:

State allocations for fiscal year 2009 are estimates based on currently available data.
Allocations based on new data may result in changes from these estimates.

Amounts listed by State for Impact Aid Construction under the American Recovery and Reinvestment Act are formula grants only. An additional \$59,400,000, included in the Undistributed (non-State allocations) line, is available to LEAs under the competitive grants portion of the program.

Recovery Act funds for Pell Grants are included with fiscal year 2009 allocations.

Due to an administrative error in fiscal years 2003 through 2008, 23 States did not receive their full allocations.
The FY 2010 estimates reflect a one-time request for additional funds to correct the underpayments.
No corrective action would be taken with respect to overpayments.

¹ Governors must use funds to support public elementary, secondary, and higher education, and, as applicable, early childhood education programs and services.

² Governors must use funds for public safety and other government services, which may include assistance for early childhood education, elementary and secondary, and public institutions of higher education.

NOTES:

State allocations for fiscal year 2009 are estimates based on currently available data. Allocations based on new data may result in changes from these estimates.

Amounts listed by State for Impact Aid Construction under the American Recovery and Reinvestment Act are formula grants only. An additional \$59,400,000, included in the Undistributed (non-State allocations) line, is available to LEAs under the competitive grants portion of the program.

Recovery Act funds for Pell Grants are included with fiscal year 2009 allocations.

Due to an administrative error in fiscal years 2003 through 2008, 23 States did not receive their full allocations. The FY 2010 estimates reflect a one-time request for additional funds to correct the underpayments. No corrective action would be taken with respect to overpayments.

¹ Governors must use funds to support public elementary, secondary, and higher education, and, as applicable, early childhood education programs and services.

² Governors must use funds for public safety and other government services, which may include assistance for early childhood education, elementary and secondary, and public institutions of higher education.

NOTES:

State allocations for fiscal year 2009 are estimates based on currently available data.
Allocations based on new data may result in changes from these estimates.

Amounts listed by State for Impact Aid Construction under the American Recovery and Reinvestment Act are formula grants only. An additional \$59,400,000, included in the Undistributed (non-State allocations) line, is available to LEAs under the competitive grants portion of the program.

Recovery Act funds for Pell Grants are included with fiscal year 2009 allocations.

Due to an administrative error in fiscal years 2003 through 2008, 23 States did not receive their full allocations.
The FY 2010 estimates reflect a one-time request for additional funds to correct the underpayments.
No corrective action would be taken with respect to overpayments.

¹ Governors must use funds to support public elementary, secondary, and higher education, and, as applicable, early childhood education programs and services.

² Governors must use funds for public safety and other government services, which may include assistance for early childhood education, elementary and secondary, and public institutions of higher education.

NOTES:

State allocations for fiscal year 2009 are estimates based on currently available data. Allocations based on new data may result in changes from these estimates.

Amounts listed by State for Impact Aid Construction under the American Recovery and Reinvestment Act are formula grants only. An additional \$59,400,000, included in the Undistributed (non-State allocations) line, is available to LEAs under the competitive grants portion of the program.

Recovery Act funds for Pell Grants are included with fiscal year 2009 allocations.

Due to an administrative error in fiscal years 2003 through 2008, 23 States did not receive their full allocations. The FY 2010 estimates reflect a one-time request for additional funds to correct the underpayments. No corrective action would be taken with respect to overpayments.

¹ Governors must use funds to support public elementary, secondary, and higher education, and, as applicable, early childhood education programs and services.

² Governors must use funds for public safety and other government services, which may include assistance for early childhood education, elementary and secondary, and public institutions of higher education.

NOTES:

State allocations for fiscal year 2009 are estimates based on currently available data.
Allocations based on new data may result in changes from these estimates.

Amounts listed by State for Impact Aid Construction under the American Recovery and Reinvestment Act are formula grants only. An additional \$59,400,000, included in the Undistributed (non-State allocations) line, is available to LEAs under the competitive grants portion of the program.

Recovery Act funds for Pell Grants are included with fiscal year 2009 allocations.

Due to an administrative error in fiscal years 2003 through 2008, 23 States did not receive their full allocations. The FY 2010 estimates reflect a one-time request for additional funds to correct the underpayments. No corrective action would be taken with respect to overpayments.

¹ Governors must use funds to support public elementary, secondary, and higher education, and, as applicable, early childhood education programs and services.

² Governors must use funds for public safety and other government services, which may include assistance for early childhood education, elementary and secondary, and public institutions of higher education.

NOTES:

State allocations for fiscal year 2009 are estimates based on currently available data.
Allocations based on new data may result in changes from these estimates.

Amounts listed by State for Impact Aid Construction under the American Recovery and Reinvestment Act are formula grants only. An additional \$59,400,000, included in the Undistributed (non-State allocations) line, is available to LEAs under the competitive grants portion of the program.

Recovery Act funds for Pell Grants are included with fiscal year 2009 allocations.

Due to an administrative error in fiscal years 2003 through 2008, 23 States did not receive their full allocations. The FY 2010 estimates reflect a one-time request for additional funds to correct the underpayments. No corrective action would be taken with respect to overpayments.
