### Subpart A—Scope

#### § 731.101 Purpose.

(a) The purpose of this part is to establish criteria and procedures for making determinations of suitability for employment in positions in the competitive service and for career appointment in the Senior Executive Service (hereinafter in this part, “competitive service”) pursuant to 5 U.S.C. 3301 and Executive Order 10577 (3 CFR, 1954–1958 Comp., p. 218). Section 3301 of title 5, United States Code, directs consideration of “age, health, character, knowledge, and ability for the employment sought.” Executive Order 10577 directs OPM to examine “suitability” for competitive Federal employment. This part concerns only determinations of “suitability” based on an individual’s character or conduct that may have an impact on the integrity or efficiency of the service. Determinations made under this part are distinct from determinations of eligibility for assignment to, or retention in, sensitive national security positions made under Executive Order 10450 (3 CFR, 1949–1953 Comp., p. 936), Executive Order 12968, or similar authorities.

(b) *Definitions.* In this part:

*Applicant.* A person being considered for employment.

*Appointee.* A person who has entered on duty and is in the first year of a subject to investigation appointment (as defined in § 731.104).

*Employee.* A person who has completed the first year of a subject to investigation appointment.

*Material.* A “material” statement is one that is capable of influencing, or

has a natural tendency to affect, an official decision.

#### § 731.102 Implementation.

(a) An investigation conducted for the purpose of determining suitability under this part may not be used for any other purpose except as provided in a Privacy Act system of records notice published by the agency conducting the investigation.

(b) Under OMB Circular No. A–130 Revised, issued February 8, 1996, the Director of OPM is to establish policies for Federal personnel associated with the design, operation, or use of Federal automated information systems. Agencies are to implement and maintain a program to ensure that adequate protection is provided for all automated information systems. Agency programs should be consistent with government-wide policies and procedures issued by OPM. The Computer Security Act of 1987 (Public Law 100–235) provides additional requirements for Federal automated information systems.

(c) Policies, procedures, criteria, and guidance for the implementation of this part shall be set forth in OPM issuances. OPM may revoke an agency’s delegation to adjudicate suitability under this part if an agency fails to conform to OPM issuances.

#### § 731.103 Delegation to agencies.

(a) OPM delegates to the heads of agencies limited authority for adjudicating suitability in cases involving applicants for and appointees to competitive service positions in the agency (including limited, agency-specific debarment authority under § 731.205). OPM retains jurisdiction in all competitive service cases involving evidence of material, intentional false statement or deception or fraud in examination or appointment. Agencies must refer these cases to OPM for adjudication, or contact OPM for prior approval if the agency wants to take action under its own authority (5 CFR part 315 or 5 CFR part 752). Also, this delegation does not include cases involving refusal to furnish testimony as required by § 5.4 of this chapter, title, or passover requests involving preference eligibles who are 30 percent or more compensably disabled which must
