

**Transcript of the
Joint FAA/Industry Symposium
on
Level B Airplane Simulator
Motion Requirements**

Part 3 of 9

Participants

**Washington Dulles Airport Hilton
June 19 - 20, 1996**

Participants

Sunjoo Advani	SIMONA International Centre for Research in Simulation, Motion and Navigation Technologies , Delft University of Technology
Bruce Baker	Servos and Simulation, Inc.
Normand Bluteau	CAE Electronics, Ltd.
Edward Boothe	Consultant, Flight Simulation and Training
Judith Bürki-Cohen	United States Department of Transportation, Volpe National Transportation Systems Center
Frank Cardullo	State University of New York at Binghamton
Donald Eldredge	Battelle
Robert Foster	USAirways
Geoffrey Harris	Thomson Training & Simulation, Ltd.
Robert Heffley	Robert Heffley Engineering
Donald Irving	United Kingdom Civil Aviation Authority
Thomas Longridge	United States Federal Aviation Administration, Advanced Qualification Program
Edward Martin	United States Air Force, Armstrong Laboratories
Paul Ray	United States Federal Aviation Administration, National Simulator Program
Lloyd Reid	University of Toronto
Hilton Smith	United States Federal Aviation Administration, National Simulator Program
Charles Stocking	Hughes Training, Inc.
Donald Sussman	United States Department of Transportation, Volpe National Transportation Systems Center
Stuart Willmott	SimuFlite Training International
