

EPA NPDES Storm Water MS4 Referral

This form may be used by Municipal Separate Storm Sewer System (MS4) cities to refer cases of NPDES violations of the Clean Water Act to EPA Region 6. If the facility fails to heed compliance advice by the MS4 operator regarding the NPDES program, this form may be used to refer the case to EPA Region 6's Water Enforcement Branch. EPA will utilize the information to determine appropriate enforcement action to assure compliance with the NPDES program. You may either fax this to (214)665-2168 or mail it to EPA Region 6, Water Enforcement Branch, Storm Water Program, 1445 Ross Ave., Suite 1200, Dallas, TX 75202-2733.

Facility Name - If business is a DBA, include legal name.
