

# How to Order DfE's Flexography Partnership Materials

The Flexography Partnership of the U.S. Environmental Protection Agency's Design for the Environment (DfE) Program invites you to use its publications – at your company or with your customers – to make better environmental decisions. You may order Partnership publications directly from EPA's Pollution Prevention Information Clearinghouse (PPIC). Allow 2 weeks to receive your order.

For more information about the Design for the Environment Program, to view some of these documents online, or to learn about other DfE industry projects, please visit our website at [www.epa.gov/dfe](http://www.epa.gov/dfe).
