

THE WHITE HOUSE
WASHINGTON

October 18, 1999

The Speaker of the

House of Representatives

Sir:

In accordance with provisions of Public Law 106-62, making continuing appropriations for fiscal year 2000, I hereby request and make available appropriations of \$5,000,000 in budget authority for the Department of Health and Human Services' Low Income Home Energy Assistance Program. These funds will enable the Department to support the needs of New Jersey in the wake of Hurricane Floyd.

I hereby designate the \$5,000,000 made available today as an emergency requirement pursuant to section 251(b)(2)(A) of the Balanced Budget and Emergency Deficit Control Act of 1985, as amended.

The details of this action are set forth in the enclosed letter from the Director of the Office of Management and Budget. I concur with his comments and observations.

Sincerely,

Handwritten signature of William J. Clinton in black ink.

The President

The White House

Submitted for your consideration is a request to make available \$5 million in emergency appropriations for the Department of Health and Human Services (HHS). Your approval of this request would make available previously appropriated funds to the Low Income Home Energy Assistance Program (LIHEAP) to address the needs of New Jersey in the wake of Hurricane Floyd.

Public Law 106-62, making continuing appropriations for the fiscal year 2000, makes available LIHEAP funding at the fiscal year 1999 level, under the terms and conditions of the Departments of Labor, Health and Human Services, Education, and Related Agencies Appropriations Act of 1999. That Act provided \$300 million for LIHEAP contingent upon the President submitting a budget request to the Congress and designating the entire amount requested as an emergency requirement.

I recommend that you designate this request for \$5 million as an emergency funding requirement in accordance with section 251(b)(2)(A) of the Balanced Budget and Emergency Deficit Control Act of 1985, as amended. No further congressional action will be required.

I have carefully reviewed this proposal and am satisfied that it is necessary at this time. Therefore, I join the Secretary of Health and Human Services in recommending that you make the requested funds available by signing the enclosed letter to the Speaker of the House of Representatives.

Sincerely,

A handwritten signature in black ink, appearing to read "Jacob J. Lew".

Low income home energy assistance program..... \$5,000,000

Public Law 106-62, making continuing appropriations for fiscal year 2000, makes available LIHEAP funding at the fiscal year 1999 level, under the terms and conditions of the Departments of Labor, Health and Human Services, Education, and Related Agencies Appropriations Act of 1999. That Act provided \$300,000,000 for the Low Income Home Energy Assistance Program (LIHEAP), contingent upon the President submitting a budget request to the Congress and designating the entire amount requested as an emergency requirement.

At this time, \$5,000,000 in contingent funding is required to support needs arising from Hurricane Floyd in New Jersey.
