

# US Mortality 1992-2000 Males by Race/Ethnicity

Figure 1-15

Source: NCHS public use data file. Mortality data for Hispanics does not include cases from Connecticut, Oklahoma, New York, and New Hampshire. Regression lines are calculated using the Joinpoint Regression Program. ^^ Hispanic is not mutually exclusive from Whites, Blacks, Asian/Pacific Islanders, and American Indians/Alaska Natives.

# US Mortality 1992-2000 Females by Race/Ethnicity

Figure 1-16

Source: NCHS public use data file. Mortality data for Hispanics does not include cases from Connecticut, Oklahoma, New York, and New Hampshire.  
 Regression lines are calculated using the Joinpoint Regression Program.

^^^ Hispanic is not mutually exclusive from Whites, Blacks, Asian/Pacific Islanders, and American Indians/Alaska Natives.
