

FIREWOOD ALERT

Help Stop the Movement of Exotic Pests -

DON'T MOVE FIREWOOD

Exotic insect pests like the Emerald Ash Borer are a major threat to Maryland's forest lands. Emerald Ash Borer can become established when infested firewood is transported to new areas.

- **Use local sources of firewood**
- **Do not bring firewood from home**
- **If you have already brought firewood from home, do not take back home and do not leave it - BURN IT!**

For more information or to report suspected Emerald Ash Borer damage, contact the Maryland Department of Agriculture at:

410-841-5920

Or visit **www.emeraldashborer.info**
