## Indian Health Service Spring 2009 List of recent PA openings.

There are a lot more jobs on the website. To access the actual contact information and job descriptions go to: <http://www.ihs.gov/JobCareerDevelop/CareerCenter/Vacancy/Index.cfm>

Additional questions? Contact: [Frances.Placide@cheorkeehospital.org](mailto:Frances.Placide@cheorkeehospital.org) or [todd.Baughman@ihs.gov](mailto:todd.Baughman@ihs.gov)

Note: NP openings are included in this listing because often times a conversation with the clinical director regarding the matching skills of a PA does lead to an announcement for PA openings. Do not hesitate to contact the facility's clinical director.

### Suggestions:

1. For all jobs, call facility and ask to speak with the Clinical Director
2. For NP job listings, review the state laws on PA supervision (often the argument is that PAs need 1-1 supervision, when in fact IHS supports PAs role in remote setting).
3. When a civil service listing has NP salary higher than PA salary (for the same job), consider requesting recruitment bonus to make up the difference during your interview.
