14. U.S. Marshals Service	63

INTRODUCTION

The FY-2009 “Forecast of Contracting Opportunities” is divided loosely into five categories:

- 1. ADP Equipment and ADP Services Contracts (i.e. Information Technology or IT equipment and IT services contracts.)**
- 2. Construction Contracts**
- 3. Non-Professional Services Contracts (such as guard services, parking services, or courier services, etc.)**
- 4. Professional Services Contracts**
- 5. Supply Contracts**

The projected awards may be in any of our nine (9) bureaus. A listing of the abbreviations are on Page 5.

You will notice that most of the anticipated construction awards take place in the Bureau of Prisons. Since there are more than 110 existing and anticipated Federal prisons, you should visit the Bureau of Prisons web: www.bop.gov for a listing of prisons, addresses and phone numbers.

If you have questions about anything in this Forecast, please contact the Office of Small and Disadvantaged Business Utilization on **202/616-0521 or 1-800-345-3712.**

Forecast Term Definitions

Set-Aside	Reserving an acquisition exclusively for participation by an identified category of business organizations
NAICS	North American Industry Classification Codes As designated by the Office of Management and Budget for the Federal Procurement Data System.
Product/Service	Descriptions as provided by initiating bureau
Incumbent Contractor	Company that presently holds contract
