

Acknowledgements

The following personnel of the Population Dynamics Branch, Resource Evaluation and Assessment Division, Northeast Fisheries Science Center, listed alphabetically, prepared the documents on this website:

John Brodziak

Steve Cadrin

Antonie Chute

Laurel Col

Ruth Haas-Castro

Dvora Hart

Lisa Hendrickson

Josef Idoine

Larry Jacobson

Chad Keith

John Kocik

Chris LeGault

Ralph Mayo

Paul Nitschke

Loretta O'Brien

William Overholtz

Paul Rago

Anne Richards

Gary Shepherd

Tim Sheehan

Katherine Sosebee

Mark Terceiro

Michele Traver

Susan Wigley

Elizabeth Holmes was responsible for the layout and posting of the text and figures in each section. Laurel Col and Chad Keith prepared the stock area and species distribution maps, Michele Traver and Laurel Col prepared most of the graphs, and Mike Palmer created and archived the data files that support each of the graphs. Edgar Kleindinst (Data Management Systems) and Josh Moser designed and created the overall website layout.
