MEMORANDUM FOR HEADS OF DEPARTMENT COMPONENTS

FROM:

for Lee J. Lofthus *Michael H. Allen*  
Assistant Attorney General  
for Administration

SUBJECT: 2008 Leadership Excellence and Achievement Program (LEAP)

As you may know, our 2007 mid-level leadership development program – *Leadership Excellence and Achievement Program* (LEAP) was very successful. It was a positive experience for the participants, the senior managers who participated, as well as the organizations that offered rotational assignments for the LEAP participants. As a result, we intend to repeat this program on an annual basis.

I am pleased to announce the participants in the Department's second LEAP class. Thirty-four nominations from 15 Components were received and have been approved (see attached list).

Your participant(s) should expect to receive a congratulatory letter of acceptance into the program from Mari Barr Santangelo, Deputy Assistant Attorney General for Human Resources and Administration; and, a LEAP orientation package with additional information and guidance from Mary R. Jones, Justice Management Division, Personnel Staff, Learning and Workforce Development.

Please extend my congratulations to your nominees, and thank you for your continued support of this important succession planning program.
